RESOLUTIONS AND REPORTS OF COMMITTEES.

MISCELLANEOUS RESOLUTIONS.

WHEREAS, the peculiar and critical condition of our country renders it the imperative duty of all Christians, and especially of all Christian ministers, to sustain our excellent Government in this hour of peril by all the means in their power; and *whereas*, several members of this Conference are connected with the army of the United States as chaplains, officers, and privates; therefore,

Resolved, That the Bishop be respectfully requested to appoint such of our brethren as are employed as chaplains in the army to that work, and that such brethren as are otherwise connected with the army be returned on the Minutes as second preachers, and they be excused from regular ministerial service till they return from the army.

C. J. HOUTS,
J. B. CORRINGTON.

Whereas, by the action of the last General Conference, we are required to take the action of the Church by vote on the question of Lay Delegation to the General Conference in 1862:

1. *Resolved*, That we take said vote, as far as possible, in the month of May next.

2. *Resolved*, That in addition to the vote for Lay Delegation and against Lay Delegation, we will report also the number of members entitled to vote in each society.

J. A. SCARRITT,
C. J. HOUTS.

Resolved, That the Bishops be respectively requested to fix the session of our next Conference as early as the 20th of September.

J. B. CORRINGTON.

Resolved, That the thanks of this Conference be respectfully tendered to the General Superintendent of the Ohio and Mississippi Railroad for passing its members at half fare.

Resolved, That we tender to the citizens of Salem and vicinity our hearty thanks for their hospitable entertainment of the Conference during its session; also, to the pastors of the different Churches, for their invitations to occupy their houses of worship and supply their pulpits.

RESOLUTIONS ON THE SABBATH.

1. *Resolved*, That the proper observance of the Sabbath requires, as far as possible, that all secular business should be laid aside on that day, and it devoted wholly to sacred purposes.

2. *Resolved*, That the running of steamboats, the passing of railroad trains, the transportation of the mails, the opening of post-offices and visiting them on the Sabbath, are inconsistent with its sanctity.

3. *Resolved*, That social visiting, pleasure trips, reading secular books and papers, the writing of letters, and traveling, except for purposes of worship or mercy, are inconsistent with its sanctity.

4. *Resolved*, That all military movements on that day, unless attacked by the enemy, are contrary to its sanctity; and that we highly commend the noble stand taken by General M'Clellan for its observance on the tented field.

5. *Resolved*, That principals of all business establishments and shops allow all their hands the opportunity of observing the Sabbath day.

6. *Resolved*, That we will, both by precept and example, enforce its proper observance.

R. J. NALL, *Chairman*.

RESOLUTIONS ON THE STATE OF THE COUNTRY.

1. *Resolved*, That we, as a body of Christian ministers, feeling it to be our duty to "pray for all that are in authority, that we may lead quiet and peaceable lives," and that the work of God may not be hindered, will earnestly pray for God's blessing upon our rulers and upon the Government, in this hour of darkness and peril.

2. *Resolved*, That we hold it to be the duty of every man—and especially of every Christian—to rally to the call of the legally-constituted Government, and, as occasion requires, to maintain the Government, and enforce the laws; and we hereby pledge ourselves to do all we can for the support of the Government, even to the taking up of arms, if necessary, in its defense.

3. *Resolved*, That the enforcement of the laws, and the subjugation of the rebels by the vigorous prosecution of the war, is necessary to save the Southern States from the enemies of republican government, who are driving those States into despotism, if not to anarchy and ruin.

4. *Resolved*, That ministers of the Gospel should, both by precept and example, teach the great truths announced by the apostle Paul, when he said, "Let every soul be subject to the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever, therefore, resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation."

5. *Resolved*, That it is a mistake that, when those great moral principles, which underlie all good government among men, get mixed up with politics, either by mismanagement or otherwise, they must be surrendered by Christians in general, and Christian ministers in particular, to the keeping of political hucksters.

6. *Resolved*, That, while we cheerfully acknowledge the justice of the principle, grounded in the moral nature of man, that they who take the sword shall perish by the sword—that the violent man shall suffer violence—that the malice and evil of bloody and deceitful men shall bring evil in just weight and measure upon their own heads—we need to strive, by watchfulness and prayer, to guard against imbibing and indulging in a spirit of revenge. Let us rather pray for our enemies and the enemies of our country.

7. *Resolved*, That our country's safety can be best promoted by merging all parties in one great, united, and strong Union party.

J. B. CORRINGTON, *Chairman*.

SABBATH SCHOOLS.

1. *Resolved*, That we regard the training of the infant and youthful mind as underlying the stability and perpetuity of all human government, in Church and State.

2. *Resolved*, That all the preachers be required to form all the Sabbath schools under our care into missionary societies, and hold a concert of prayer once a month for the benefit of the children.

Resolved, That we earnestly request all the preachers to take up a collection between the second and third quarterly meetings, in each congregation, in behalf of our Sunday School Union, that no blanks may appear in our reports.

4. *Resolved*, That all the preachers earnestly labor to have our Catechisms used in all our Sabbath schools.

E. JOY, *Chairman*.

REPORT ON COLONIZATION.

YOUR Committee on Colonization believe that the colored race can never, in the United States, reach and enjoy that high state of civilization and happiness of which they are capable.

The success which has attended the benevolent efforts of the American Colonization Society has demonstrated that that enterprise is no longer a doubtful experiment. We further believe that the Creator of all men is saying to the American people, with regard to the African race, "Let this people go." While God speaks, and men are constrained to listen, we think that Christian men especially should be "workers together with God."

Therefore, we offer the following resolutions for the adoption of the Conference:

1. *Resolved*, That the American Colonization Society, in its efforts to elevate the colored race, by colonizing them in Africa, shall have not only our sympathies and prayers, but we will help financially according to the ability that God gives us.

2. *Resolved*, That we will recommend this cause to the favorable consideration of our people, and the benevolent generally.

J. W. NALL, *Chairman*.

TEMPERANCE.

YOUR Committee on Temperance beg leave to make the following report, in the form of resolutions:

1. *Resolved*, That we heartily approve the efforts of the various temperance organizations throughout the country, and we will give them aid in all lawful ways.

2. *Resolved*, That the buying, selling, or using of lager beer or bitters in any form that will intoxicate, is, in the sense of this Conference, a violation of that rule in our excellent book of Discipline, which enforces temperance on all "who desire to continue in these societies."

3. *Resolved*, That we recommend to our people as far as possible to sustain temperance publications, and especially commend to their patronage the "Illinois Son of Temperance," published by G. L. Moore, at Lebanon, Illinois.

All of which is respectfully submitted. R. RANDLE, *Ch'n*.

REPORT ON THE TRACT CAUSE.

THE Committee to whom the Tract Cause was referred present the following report:

From the circular referred to us, we learn that during the past year the Tract Society has printed ten million, one hundred and ninety-one thousand, two hundred and fifty pages of Tracts and Tract books. The circulation of the Good News is 49,000. The Society have determined to send ten copies of the Good News to every charge which will take a collection for the treasury during the year. The old plan of returning one-half the collection in tracts is annulled. We are now to receive tracts upon the same plan that we do donations of Sunday school books, by applying to one of the Tract Committees.

The actual receipts of the Society for 1860 were only \$2,803.60. Their disbursements were \$4,976.32. Since the fiscal year closed, they have appropriated \$1,000 to Germany, and \$550 to India.

These appropriations will not only exhaust, but will bring the treasury in debt. Therefore,

1. *Resolved*, That we have undiminished confidence in the ability and management of the Tract Society to accomplish its designed ends.

2. *Resolved*, That we will take a collection during the first quarter of the year in all our congregations for the Tract Cause, and forward the same to the Treasurer of the Society.

3. *Resolved*, That the presiding elders be a committee to see that the foregoing resolutions are carried into effect on all the charges; also that the charges are properly supplied with tracts.

Respectfully submitted. J. S. MORRISON, *Chairman*.

CENTRAL CHRISTIAN ADVOCATE.

THE following resolutions, in regard to the Central Christian Advocate, were adopted by the Conference; namely:

1. *Resolved*, That we recommend to the Book Agents that they should not discontinue the publication of the Central Christian Advocate before the session of the next General Conference.

2. *Resolved*, That we will do all we can to sustain the Central, and will endeavor to obtain at least one subscriber for every five members in our charges.

3. *Resolved*, That we highly approve the course taken by Dr. Elliott, as editor of the Central, and are satisfied that he is the man for the place.

JOHN GLAZE, *Chairman*.

REPORT OF COMMITTEE ON EDUCATION.

Your Committee would present the following report:

The two literary institutions of learning under the immediate care and supervision of this Conference are M'Kendree College and the Southern Illinois Conference Female College; both of which, we are happy to state, are still in successful operation. Both, however, are seriously affected by the unhappy financial and political condition of the country.

M'Kendree College—one of the oldest literary institutions of the Church—commenced its twenty-fifth academic year on the 19th of last September. Many of the old students, at the nation's call, have enlisted under the Stars and Stripes, to defend the liberties of the country. These do not return to complete their course of study. Many other young men who otherwise would have entered this year, have joined the army. From these facts, combined with the great scarcity of money, the number of students in attendance this year will be much smaller than usual.

We are glad to record in our report this year, that the timely

action of the Conference at its last session, and of the preachers in giving their notes to the Endowment Fund, saved the College from inevitable financial ruin. But for their act, M'Kendree College would have existed hereafter only in history and in the memory of its friends, as an institution that was; that came into being at the call of the Church, struggled hard a quarter of a century for existence, and then, under its heavy embarrassments, sunk to rise no more. In the providence of God, the credit of saving the institution belongs to the preachers of the Conference. The financial condition of the College is shown in the Financial Report. (Which see.)

The Committee would recommend the appointment of the following brethren as Visitors to M'Kendree College. (See Visiting Committee.)

In regard to the Southern Illinois Conference Female College, no official report has been before the Committee, on account of the illness of President Corrington; but from a personal interview with him, we learn that the subscription of \$2,000, pending at the last Conference, was made up, and notes given, and thus another College was added to the list of the saved by the prompt action, last year, of the preachers of this Conference. Further than this, no change has taken place in the financial condition of this College since last year.

Your committee would recommend the following brethren as Visitors to the Southern Illinois Conference Female College. (See Visiting Committee.)

N. E. COBLEIGH, *Chairman.*

REPORT ON THE BIBLE CAUSE.

THE Committee on the Bible Cause report as follows:

They believe that the circulation of the Holy Scriptures everywhere is of incalculable importance to promote the salvation of the human family. This is the great object of the American Bible Society. To aid it, therefore, is to aid in the conversion of the world.

This truth is obvious, and is fully admitted. It is, therefore, earnestly recommended to each member of this Conference to engage heartily in this great and important work, both by lecturing or preaching to the people of his charge on this subject, and by taking up public collections, and appointing collectors to aid in obtaining subscriptions and collections for this work. Your Committee would recommend the adoption of the following resolution:

Resolved, That it shall be the duty of every preacher in charge belonging to our Conference to lecture or preach on the subject of the Bible Cause in all his congregations, and also to take up public collections in the same, and also to appoint collectors to receive subscriptions and donations for this great interest.

JOHN THATCHER, *Chairman*.

MEMOIR OF REV. JOHN SHEPHERD.

REV. JOHN SHEPHERD was born in the State of Pennsylvania, November 7, 1789, and emigrated to Ohio when about seventeen years of age. Two years afterward he was converted to God, and felt impressed that it was his duty to enter the work of the ministry; but, refusing to follow the convictions of his mind, he lost the power of religion, and remained in a backslidden state for ten years. He was then reclaimed, and gave himself up to God and his work. August 4, 1811, he was married to Miss Sarah Clark. In the year 1823 he removed to Illinois, and settled for the time in the bounds of the old Sangamon circuit, where he was soon after licensed to preach the Gospel. His first license was signed by Rev. Peter Cartwright.

At the session of the Illinois Conference, held in Rushville, in 1836, he was admitted on trial in the traveling connection in the Methodist Episcopal Church. He was ordained a deacon by Bishop Roberts, in 1835, at Springfield, Illinois, and in 1838 was ordained elder in Alton, Illinois, by Bishop Soule. He filled acceptably and successfully the following charges; namely, Waynesville, Charleston, Mt. Vernon, Frankfort, Wabash, Palestine, Lawrenceville, Edgar, Charleston—a second time—Danville, Marshall, Olney, Albion, Carmi, Georgetown, Nashville, Walnut Hill, and Ashley circuits, making an aggregate of twenty-four years in the regular work. On the larger portion of the above-named circuits brother Shepherd remained two years consecutively. His health failed on the Ashley circuit, and the Southern Illinois Conference, at its last session, granted him a superannuated relation. About twenty days after the Master transferred him from these scenes of labor and suffering to those of eternal rest and reward. Previous to his death he was removed from Ashley to Williamson county, Illinois, to the society of his children, where every kind attention in their power was bestowed to make him comfortable, and prolong his stay among them, but all in vain. His work was done; and it only remained that he should die, and receive that crown of life that is promised unto those who are faithful unto death.

Father Shepherd was a good man, a faithful minister of the Lord Jesus Christ, remarkable for his punctuality, and greatly beloved by all the lovers of Christ in all places where he went preaching the Gospel of the kingdom. May his aged consort, who still lingers awhile on the shores of time, abide the holy keeping of the Great Head of the Church, till permitted to rejoin the companion of her youth, where

“Sickness and sorrow, pain and death,
Are felt and feared no more!”

And may the members of the Southern Illinois Conference, as one after another they shall be called to render their account to the Judge eternal, be able to leave as fair a record on earth, and have as full an entrance ministered to them into the everlasting

kingdom of our Lord Jesus Christ, as we are persuaded has fallen to the lot of our venerated Father Shepherd.

He died in the seventy-first year of his age, and in the thirty-seventh of his ministry.

G. W. ROBBINS,
SIMEON WALKER.

MEMOIR OF REV. CHARLES A. M'CORD.

CHARLES A. M'CORD was born in Christian county, Kentucky, May 2, 1813. When seven years of age he removed with his parents to Washington county, Illinois, in 1820. In early life he was converted to God, and joined the Methodist Episcopal Church. He was licensed to preach about the year 1838. He was twenty-three years a Methodist preacher, seven years of which he traveled—two years as a supply under the direction of a presiding elder, and five years in connection with Southern Illinois Conference. He was regularly appointed and traveled consecutively the M'Leansboro, Newton, Palestine, New Haven, and Raleigh circuits. His health failed, and the Conference granted him a superannuated relation three years since. About fifteen months past he preached his last sermon in Tamaroa from a verse of the one hundred and twenty-sixth Psalm, "They that sow in tears shall reap in joy." About the middle of last June his health began rapidly to decline, till the 23d of the same month, when he breathed his last.

As his end approached his evidence of salvation grew brighter, and his usual reply to those who inquired respecting the state of his mind was, "I am packed up and at the station waiting for the train." When informed that he was dying, it did not disturb his tranquillity in the least; but after a few moments answered, "The will of the Lord be done." After giving his family and friends such counsel as his circumstances suggested, he said to brother Pierce, "Tell my brethren of the Southern Illinois Conference that I die perfectly resigned to the will of the Lord, and in the triumphs of a living faith, thankful that I was ever permitted to bear the name of a Methodist preacher; and that if I had my life to live over again I would want no other calling. Tell them to stand firm in this dark hour, and press the battle to the gate of the enemy; that I expect to look down and see them fighting shoulder to shoulder, and storming the enemy's strongholds; and hope soon to hear from them a shout like the voice of many waters, saying, 'The kingdoms of this world have become the kingdoms of our Lord and his Christ;' and then I will join the chorus, saying, Amen, halleluiah, the Lord God Omnipotent reigneth!"

After taking a sup of water, he added, "If it is the Lord's will, I am ready;" and fell asleep in Jesus as calmly as an infant on its mother's bosom. Thus died Charles A. M'CORD, in the forty-ninth year of his age.

SIMEON WALKER.

REPORTS OF COMMITTEES.

REPORT ON EDUCATION.

YOUR Committee would present the following report :

The two literary institutions under the immediate care and supervision of this Conference are M'Kendree College and the Southern Illinois Female College, both of which, we are happy to state, are in operation. Both of them, however, are seriously affected by the unprecedented political condition of our country.

M'Kendree College, our time-honored and cherished institution, commenced its twenty-sixth academic year on the 18th of last September. It is worthy of remark that two of the professors, R. M. Moore and S. H. Deneen, have patriotically responded to our country's call. We are glad to hear, however, that the attendance is sufficient to justify opening the College as usual, and that ample provisions have been made for instruction in all the departments the current year. The endowment fund is a source of essential material aid in these trying times, yet the unabated sympathy and aid of its friends are requisite to place it above embarrassment. The financial condition of the College is shown in the Financial Report. (See Report.) The Committee would recommend the appointment of the following brethren as the Visiting Committee to M'Kendree College. (See Visiting Committee.)

In regard to the Southern Illinois Female College, we are glad to learn that the first of the present collegiate year has opened with more favorable prospects than were anticipated, and yet it has by no means escaped the financial embarrassment that so generally prevails. The cordial sympathy and prompt assistance, therefore, of its friends are essential to its prosperity, if not to its existence.

From a report before us from the Secretary of the Executive Committee, and from other sources, we are enabled to present the following exhibit :

The foregoing is a copy of the report as made out by the Finance Committee at the last meeting of the Joint Board, June 19, 1862.

Two of our professors, R. M. Moore and S. H. Deneen, have enlisted in the United States Army of Volunteers, and left their chairs to be filled by others temporarily till they return from the war, if it shall please God to preserve their lives and health. The College will go on as usual, and all the classes will be supplied with competent instruction. The number of students, we expect, will be much smaller than usual.

N. E. COBLEIGH.

REPORT ON THE BIBLE CAUSE.

1. *Resolved*, That we repose confidence in the American Bible Society.

2. *Resolved*, That we pledge our cordial and vigorous efforts, in harmony with other denominations of Christians, to carry out, within the bounds of our Conference, the superior plan of operations adopted in Illinois.

3. *Resolved*, That while we will endeavor to operate with the agents of the Society when they are among us, we will not wait for them nor depend upon them, but will present the subject in our congregations, and see that collections are taken up among our people, and will also aid in filling up organizations of local societies, whose officers have, some or all of them, joined the army, or where their places have been vacated from other causes; and also, as we may have opportunity, to use efforts to promote the distribution of Bibles and Testaments.

Respectfully submitted.

JOHN THATCHER, *Ch'n.*

REPORT ON COLONIZATION.

WHEREAS, the vast number of persons of African descent now being liberated by the operations of the war, and believing that the African race, in their social and political condition, can not attain that elevation of character commensurate with the destiny of man by remaining in this country; and believing that God

and the cause of humanity is calling loudly upon us to co-operate with and follow the leadings of Providence; we, therefore, offer the following resolutions to the Conference for adoption :

1. *Resolved*, That the blessings of God which have attended African colonization inspire us with undiminished confidence in its success.

2. *Resolved*, That we will aid the Government in any scheme of colonization which in its wisdom it may adopt, not only by our prayers and sympathies, but will recommend it to the consideration of our people for their financial aid and support.

All of which we respectfully submit.

C. M. HOLLIDAY, *Chairman*.

REPORT ON TEMPERANCE.

YOUR Committee on Temperance respectfully submit the following resolutions; namely :

1. *Resolved*, That temperance should be regarded as the exercise of a rigid restraint upon our appetites and passions, which exercise is indispensably necessary to a proper estimate of our importance in the scale of being, and to a proper compliance with the obligations arising out of our relations to the moral government of God.

2. *Resolved*, That in the regulation of our physical appetites in accordance with the preceding rule or standard, prudence demands that every habit or practice not essential to health or comfort, or which may be productive of pernicious results in these particulars, should be carefully and totally abstained from; consequently, we consider such expressions as the temperate use of alcoholic stimulants as an ordinary beverage, a perversion of language, calculated to mislead the inexperienced and unsuspecting portion of community.

3. *Resolved*, That if the improper indulgence of a natural and baneful physical appetite be considered intemperance, the production of an unnatural or artificial appetite, by the habitual use of an improper stimulant, must certainly be regarded as equally intemperate; consequently we must condemn the habitual use of ordinary narcotics as well as alcoholic stimulants, inasmuch as an appetite for tobacco is not only unnatural and useless, but even more difficult of acquisition than that of alcoholic stimulants.

4. *Resolved*, That upon the prayerful consideration of all our brethren who may be disposed to indulge in the habitual use of these stimulants, we respectfully urge the impressive and affecting admonition of an apostle of Christ: "Dearly beloved, I beseech you, as strangers and pilgrims, abstain from fleshly lusts which war against the soul."

5. *Resolved*, That, recognizing the importance of concert of

action for the attainment of any considerable aggregate of good, and also the importance of the press for the rapid and successful propagation of correct principles, we cordially recommend to the favorable consideration of our friends every-where the organizations and journals of the day which have for their object the advancement of the cause of temperance.

J. P. DAVIS, *Chairman.*

REPORT ON THE CENTRAL CHRISTIAN ADVOCATE.

THE Committee on the Central Christian Advocate beg leave to report as follows :

There has been no time since the first commencement of the Central Christian Advocate that we could have dispensed with it without great loss to the Church. Its central location in the great South-West argues *much* to every *thinking* mind the necessity of its continuance. It also being the only religious paper now published in St. Louis, where so many thousands need religious literature, the great South-West spreading out on every side, is another strong argument in favor of sustaining the Central.

And *whereas* its most excellent editor has stemmed the current of rebellion so nobly, with his Stars and Stripes floating triumphantly—has lived to see the rebellious sheet die beneath him; and *whereas* we expect to reorganize the Churches in Missouri, Arkansas, and Texas, and all other rebellious States; and *whereas* its most excellent editor has already shared largely in defraying the expense of sustaining it; therefore,

1. *Resolved*, That we will aid the Book Agents in sustaining it by promising, jointly with the Illinois Conference, to see the Central live till the next General Conference.

2. *Resolved*, That we most heartily indorse the efforts of the editor in exposing this most cursed rebellion and all the lovers of it.

3. *Resolved*, That our best efforts shall not be wanting in procuring a larger number of subscribers the coming year than any former period.

4. *Resolved*, That the present editor is *the editor* we wish and need, and that we desire no other, believing, as we do, that he is the editor for the times.

Respectfully submitted.

A. BLISS, *Chairman.*

REPORT ON THE STATE OF THE COUNTRY.

As a nation we are involved in the horrors of civil war, resulting from the most unprovoked, and therefore the most wicked rebellion against civil government that history has ever

recorded—most wicked because it is against the mildest and best Government upon the earth, one which has pre-eminently subserved all the purposes of civil institutions, as is abundantly evidenced by the unparalleled prosperity which has attended us as a people; a rebellion the most wicked because of the merciless, diabolical, and suicidal spirit that has hitherto characterized it—a spirit that delights to riot in the midst of ruin, and gloat over carnage.

In such a crisis, and surrounded by such circumstances, we can conceive of but one position as tenable for the Christian minister; namely, unqualified and unconditional devotion to the Government in its struggle for existence—the immolation upon the altar of our common country of every available resource, and the tendering to the properly-constituted authorities, by every individual member of the civil State, every possible help, in sympathy, by word of cheer, by fervent prayer to God, or, if the occasion requires it, by bearing arms.

Your Committee have no disposition to conceal or disguise their convictions with reference to the cause of this terrible struggle in which we are engaged. Whatever proximate and secondary causes may have obtained in bringing about this revolt of the Southern States, we hesitate not to record and publish to the world our conviction, which every day's observation confirms, that slavery underlies all others as the primary and originating cause; and we have little hope of any permanent or abiding peace, the settlement of the terms of which overlooks this dark, foul, leprous spot upon our National escutcheon, and which neglects or refuses to shut up this terrible Pandora's box, from which the calamities now upon us have emanated.

In other departments of life, when seeking to remove an effect, we strike directly at the cause; we know of no reason why we should deviate from this rule in the present crisis.

A universally-acknowledged evil, that for many years lived only by sufferance both in Church and State, rapidly grew proud and insolent through the fostering care of an apostate Church; and when it had received a Christian baptism at the hands of that Church, true to its native instincts, it cast off all restraint, and with the imperiousness of a tyrant demanded that the reins of Government should be placed in its own hands, and upon this being refused, sought to drench the country in blood. It is the spirit of this bantling of hell that kindled the fires and is still fanning the flames of this most unnatural and unholy rebellion.

In contemplating, in the light of the revealed will of God, our complicity as a nation with this greatest wrong ever inflicted upon humanity, we are astonished at the Divine forbearance; we are not surprised that the just judgments of a sin-avenging God have overtaken us.

As ministers of the Gospel, we go not on a crusade or wage a warfare against the local institutions of any of the States of this

Union; we realize that it is not our mission to attempt political revolutions, but rather to oppose them by teaching and practicing "subjection to the powers that be." We only denounce slavery because it is denounced of God; we would seek for its extermination because it has arrayed itself against and is imperiling the very existence of our free institutions. Entertaining these views, we hail with delight the policy announced by the President of the United States in his late emancipation Proclamation, believing it to be the true policy—indeed, the only policy that can now save the country, since every thing indicates that the present contest is a struggle between liberty and slavery, both of which, we believe, can never again exist as heretofore, side by side upon this continent.

In view of the above, your Committee submit the following resolutions for your consideration :

1. *Resolved*, That it is the duty of all men, and the especial duty of Christians, to aid in the support of the Government under which they live, and which affords them protection in times of peace, and to aid and assist to the extent of their ability in its defense in times of war.

2. *Resolved*, That Christianity enjoins patriotism upon the citizen and subject, without raising nice questions as to a government *de jure* or simply *de facto*; it requires us to submit to and support the existing government or administration, even though in our private judgment it may not be the best.

3. *Resolved*, That there is a moral treason which may not manifest itself in the overt act which the civil law notices and punishes; as, for instance, he who sympathizes with his country's enemies in times of war is a traitor at heart, though he may not have levied war against the country, or have given aid or comfort to its enemies.

4. *Resolved*, That, as Christian ministers, we feel it to be our duty not only to pray for our rulers and "all that are in authority," but to enjoin the duty of patriotism from the pulpit—for surely if civil government is a part of the plan of Divine administration, it should have such a sanction—and not only so, but enforce it in the administration of discipline.

5. *Resolved*, That we cordially indorse the emancipation policy recently announced in the Proclamation of the President, regarding it not only as politic, if not necessary to the salvation of the country, but also as just and right.

6. *Resolved*, That to our brethren, lay and ministerial, who are now in the service, we give assurance of our sympathies and prayers in their behalf: to our ministerial brethren in the service holding other positions than that of chaplain, we give assurance that they shall be kindly remembered by us; that they deserve well of the country, in common with others, for the sacrifices they have made; that they also deserve well of the Church to which they belong; that we do not consider that they have vio-

lated their ordination vows, or abandoned a high and holy calling to engage in secular pursuits, by entering into the service of the country in this terrible ordeal, but have only suspended the relation between pastor and people for a short time, in order to save that relation, with all other blessings flowing from religious liberty, from total destruction.

THOMAS H. FOUTS, *Chairman*.

MEMOIRS.

REV. R. G. AYERS.

REV. R. G. AYERS was born in Stark county, Ohio. He was admitted into the Southern Illinois Conference in 1858, and appointed to the Ewington circuit. In 1860 he was ordained deacon, at Bunker Hill, by Bishop Simpson. His next appointment was Pulaski circuit, and his last appointment was Saratoga circuit. About the time of the last Conference he enlisted as a private in the Sixth Illinois Cavalry. Last March his health failed, and for five months he laid in the hospital at Paducah. At the end of this time he was discharged from the service, and returned to his home and family to die. He ended his life at Equality, at the house of brother and sister Daiter, August 21, 1862, in the twenty-fifth year of his age.

During his sickness he said he had some glorious seasons of religious enjoyment. He closed his eyes in peace, and from the hospital and sick-room he passed, as we trust, to the *home of the blessed in heaven*.

He leaves a youthful companion and an infant child to mourn their loss. This sketch is presented to the Conference by your Committee.

J. B. CORRINGTON, *Chairman*.

REV. JOHN CALNAN.

REV. JOHN CALNAN, was born in Ireland, and died at Alton, November 28, 1861, aged twenty-eight years. He professed religion at Carlinville, Illinois. He was recommended for admission into the traveling connection in the Southern Illinois Conference, at Bunker Hill, and was admitted on trial at the Conference held at Olney, and was appointed junior preacher on the Staunton circuit. The next year he was appointed to the New Liberty circuit, was ordained deacon by Bishop Simpson at Bunker Hill in 1860, and was appointed to Middle Alton mission, at the Conference held at Salem. In 1861 he was granted a superannuated relation, and shortly afterward finished his course and entered his Master's joy. Brother Calnan's Christian life was one of conflict and trial. The grace of God proved sufficient. His affliction was severe, but it was borne without a murmur.

When near the close of life he said, "The religion I have enjoyed in life and health now sustains and comforts me in prospect of death. I know in whom I have trusted. I am fixed on the Rock of Ages." Some minutes afterward he exclaimed, "I hope to go up and claim the treasure through Christ." So passed away the youthful itinerant from the field of labor and toil to his rest and home in heaven.

The foregoing brief and imperfect sketch is presented to the Conference by your Committee.

J. B. CORRINGTON, *Chairman*.

REV. F. H. WALLS.

BROTHER F. H. WALLS was for a number of years a member of the Methodist Episcopal Church, and in various capacities—such as class-leader, steward, exhorter, local preacher—served the Church, and he supplied several circuits successively by the appointment of a presiding elder, and somewhat in advanced years entered the regular itinerancy. He was admitted on trial in 1848, and traveled till a few years back, when his health failed, and he was given a superannuated relation, which he sustained till death. He died the 13th day of August, 1862. He was a good and earnest man and a faithful and acceptable minister.

J. B. CORRINGTON, *Chairman*.

REV. MOSES SHEPHERD.

BROTHER MOSES SHEPHERD has been called away in early life, yet as a teacher, local preacher, and an itinerant he served his generation; the son of an old veteran, who preceded him less than two years to the heavenly rest. He was different in some respects in mind and body from his father, yet an imitator of the father's faith and piety. He fully exhibited his Methodist training. He strove to husband his powers, and it is likely he thus extended his labors somewhat. Yet his work was too great for his frail tenement, and in early life the earthen vessel was crushed. He experienced religion when a youth. He was admitted on trial in the Illinois Conference in 1851, from which time he labored in different positions and fields till death. He was afflicted for some months before his death, but fell at his post, as presiding elder of Jonesboro district, September 20, 1862.

REPORTS OF COMMITTEES.

REPORT ON EDUCATION.

M'Kendree College.

THE Committee on Education submit as a part of their report:

That M'Kendree College is in a very flourishing condition. Its number of students is very large, and the promise is that there will be a further increase. It is proper on the present occasion, when its late President, Rev. N. E. Cobleigh, D. D., retires from the charge of it to assume the labors of another sphere, for this Committee and Conference to record the fact of his very substantial success in both the government of the College, and in the instruction of the students. His administration has also been marked by great prosperity in raising an endowment fund. The Conference will remember with grateful emotions and thanks to Almighty God the labors of Dr. Cobleigh, and we invoke for him the blessings of a kind Providence in any field of labor in which he may be engaged. By his arduous labors and energetic industry, the prospects of the College are better than ever before, and its endowment will be a noble monument to his memory.

The new President, Rev. Robert Allyn, enters upon his labors with good omens of success, and we beseech for him a warm place in the hearts of our brethren, and for the College a place in their daily prayers, and a constant remembrance of its wants and necessities in their intercourse among their people.

Let us send students to its halls. Let us incite our wealthy members to remember it in their annual benefactions, and in their occasional donations. The Committee offer the following resolutions: one, appointing a Visiting Committee to M'Kendree College; the other, asking the Bishop to appoint Rev. Robert Allyn President, and Rev. F. O. Blair Professor.

The Committee on Education make the following partial report:

The financial statement of the Treasurer of M'Kendree College shows its assets to be \$51,606.35, and its liabilities \$22,531.33; leaving a balance of capital, \$29,075.02.

This statement also sets forth the fact that the current receipts from endowment fund and tuition fully met all the expenses of the College for the last year, and left a surplus to pay a small portion of the amounts due on the back salaries of the Professors. We are pleased to be assured that these two sources of income promise to pay all necessary expenses in future. But while this is a very gratifying prospect, the debt of \$22,531.33 remains to accumulate interest at a very rapid rate. Under these circumstances, to save the College from bankruptcy, the creditors at Lebanon propose to donate largely to the College, on condition that the whole indebtedness is paid or provided for during the present college

year. From assurances given by them to the Trustees of the College, your Committee believe that \$15,500, raised before the 1st of July, 1864, will wipe out the whole indebtedness. Are there not within the bounds of each charge in this Conference intelligent and wealthy men who can be induced to give liberally for so noble a purpose? Can they not be reached by proper appliances? Your Committee submit these questions and this whole subject to the Conference for your candid consideration and action.

It will be seen that the indebtedness of the College has not increased during the year now closed. On the contrary, the College has paid its Professors every dollar of their current salaries; has met and liquidated every claim for incidental expenses, sexton's labors, etc.; and has actually paid about \$1,000 on the back salaries of the Professors; so that after adding interest to debts at the rate of ten per cent., these debts are now less than when reported last year. Its liabilities have been further diminished by the sale of town lots. It can now meet all its current expenses, and if some means could be devised to pay off all its indebtedness, it might take a high rank, and make more substantial progress in its very useful and promising career. The creditors of the College have inaugurated a movement to pay off the debts of the College within the present year, and they desire the countenance and co-operation of the Conference.

Respectfully submitted.

Per BENJAMIN HYPES, *Treasurer*.

Southern Illinois Female College.

The Committee on Education present the following as their final report:

From all our literary institutions we have cheering reports of the prospect of a large attendance of students for the present educational year. At no former period of their history have our institutions opened with fairer prospects of success. In our partial reports we have already presented to the Conference the financial condition of M'Kendree College and the Southern Illinois Female College.

In accordance with the request of the Executive Committee of the Southern Illinois Female College, we have recommended the appointment of an agent for said institution, to raise funds for the liquidation of the debt against it.

As the Trustees have asked for no especial agent for M'Kendree College, but have reposed the interests of this institution with the preachers of the Southern Illinois Conference, we propose the following resolutions for the adoption of the Conference on this subject:

Resolved, That a committee of three be appointed by the Conference to devise a plan, the best adapted, in their opinion, to reach all our people, and induce them to give for this object.

Resolved, That we, as members of the Conference, pledge ourselves to carry out the plan, as far as practicable, that may be devised by said committee.

We received a communication from the Board of Trustees of the institution at Olney, asking the Conference to appoint an agent for said insti-

tution. Under existing circumstances we think this would be inexpedient, and therefore recommend that the request be not granted.

As a seminary or high school, we have in years past recognized the institution at Olney, and as such recommend it now to the patronage of the members and friends of our Church. As the Trustees request us to appoint a Board of Visitors, we recommend the following as members of that board. (See list.)

Whereas, the Trustees of our institution at Olney, at their annual meeting, elected Dr. Hawley President of said institution; therefore,

Resolved, That the Bishop of this Conference be respectfully requested to appoint him to said work.

JOHN VAN CLEVE, *Chairman.*

REPORT ON THE BIBLE CAUSE.

WHEREAS, the Bible is the only true basis of civil and religious liberty, the great Constitution of the Church—Divine in its origin, infallible in its teachings, and should, at the earliest practical period, be made the "Book of the World;" therefore,

Resolved, That the energetic, successful, and continued efforts of the American Bible Society, its auxiliaries and branches, have shown them to be worthy of our confidence.

Resolved, That the plan adopted for carrying on the Bible work in Illinois meets our approbation, and, as a Conference, we will promote the interests of this noble cause, and, as Christian ministers, will co-operate with the Agent in carrying on this important work.

Resolved, That we recommend this cause, and the plan of operating in Illinois, to all of our members as worthy of our confidence and support.

Resolved, That we will preach on the Bible Cause at each of our appointments, at least, during the ensuing Conference year, and endeavor to supply the destitute with the Word of God.

Respectfully submitted.

J. W. LOWE, *Chairman*.

REPORT ON THE TRACT CAUSE.

WE, the members of the Tract Committee, beg leave to make the following report; namely:

Believing that the circulation of a sound religious literature is one of the means that has been blessed of God in spreading Scriptural holiness in the world; and believing the Tract Society of the Methodist Episcopal Church to be one of the best channels through which to send forth the streams of religious truth; and,

Whereas, Divine Providence has opened, and is still opening, wide and important fields for the spreading sacred truth in the Army and Navy, and our respective mission fields; therefore,

Resolved, That we will urge upon the people of our respective charges the duty of sustaining the Tract Cause, and as far as possible take up collections for the same in all our congregations.

Respectfully submitted.

C. LAMBERT, *Chairman*.

REPORT ON SUNDAY SCHOOLS.

YOUR Committee beg leave to report, that it is with pleasure we report a handsome increase in number of Schools, in Volumes in Library, Expenses of Schools, and Amount raised for the Sunday School Union. Your Committee are as much as ever convinced of the importance of the Sabbath School Cause. Your Committee would offer the following resolutions:

1. *Resolved*, That it is a matter of regret to see so many charges reported blank on Sunday School Union, and that each preacher be earnestly requested to attend to collecting something for the Sunday School Union.

2. *Resolved*, That it is the duty of pastors to organize Methodist schools in every society, if at all practicable.

J. H. HOLLOWAY, *Chairman*.

REPORT ON THE SABBATH.

THE Committee on the Sabbath present the following report; namely: That, from all the information they have been able to gather, there exists a great and widely-extended desecration of the Sabbath over most of the territory covered by the Southern Illinois Conference. This is no time for either our ministers or members to give encouragement to this prevailing evil. And we consider that ministers do encourage it when they fail to rebuke it in private, and to preach expressly on it in public. It is surely not unreasonable to assume that Sabbath desecration has in part, at least, brought down the judgment of Heaven upon our land.

Nor have we any right to expect the Divine blessing to rest upon our families, our Churches, or our nation, till we render to God that which is his; namely, one-seventh portion of our time, according to the just requirement of his law. In view, therefore, of the responsibilities resting upon us as a body of ministers, your Committee offer the following resolution:

Resolved, That the preachers of this Conference not only allude to the duty of observing the Sabbath in their sermons, but make it a distinct topic of discourse in all the congregations of their charges.

W. W. MITCHELL, *Chairman*,
WM. KOENEKE,
M. HOUSE.

REPORT ON TEMPERANCE.

THE Committee on Temperance submit the following as their report:

Whereas, intemperance is still on its destructive march through the land, carrying with it desolation, sorrow, and death, into the sacred precincts of every circle where it is permitted to enter, your Committee deem it important that every good man, and especially every Christian minister, pause, reflect, and inquire, What is intemperance? This we define to be a violation of nature's laws, by indulging the appetite, first, in eating and drinking to excess those things which otherwise would be both nutritious and healthful; and, secondly, by indulging the appetite in the use of things neither nutritious nor healthful; therefore,

1. *Resolved*, That the use of intoxicating drinks as a beverage, or of tobacco, by chewing or smoking, are practices that violate nature's laws, and sooner or later produce their natural results.

2. *Resolved*, That, as the Gospel is the means, and the Christian minister the agent, by which all reformation is produced both in morals and practice, therefore, it is the emphatic duty of all ministers of the Gospel to employ all their energies in discouraging the use of ardent spirits as a beverage, and tobacco as a luxury.

3. *Resolved*, That it is the duty of each and every member of this Conference to preach at least one sermon on the subject of temperance in each society of his charge during the year.

Respectfully submitted.

R. H. PETER,
O. BRUNER,
D. H. STUBBLEFIELD.

REPORT ON CENTRAL CHRISTIAN ADVOCATE.

THE Committee on the Central Christian Advocate beg leave to make the following report:

The Central Christian Advocate is an organ of the Church in the great South-West. It may be fitly considered the great heart of a sound, healthy

Christian literature. In its throbs it throws out weekly its streams of healthful influence to gladden the hearts and revive the hopes of thousands in these times of moral commotion and national peril. At no time since the commencement of this excellent family paper could it be spared without great loss to the Church; but more especially is it needed now than at any other period, since it bears, under the guidance of its venerable and esteemed editor, a decided and unequivocal testimony against the moral and political corruptions of the times. It strikes a withering blow at error of every kind, and becomes in turn the speaking-trumpet of thousands of hearts loyal to the Government of the Church, and our glorious Union. It visits alike the hovels of the poor and the homes of the wealthy, and cheers alike the soldier and civilian. Its deep-toned truth is no less glorious than the flag of stars and stripes that floats over a land of intelligence and freedom. Therefore,

Resolved, That we will co-operate with our Book' Agents in securing it a large and extended patronage.

Resolved, That no effort of ours shall be wanting to make it worthy of the sympathy and support of all our people.

Resolved, That we will endeavor to secure at least one subscriber from each family connected with the Church, in the bounds of our respective fields of labor for the future.

Respectfully submitted.

REPORT ON FREEDMEN'S AID COMMISSION.

THE Committee on the Freedmen's Aid Commission present the following report:

1. *Resolved*, That we cordially approve the President's policy in emancipating the slaves of persons in rebellion against the Government of our country.

2. *Resolved*, That we freely indorse the efforts of the Freedmen's Aid Commission to supply the wants of the destitute and suffering among those who by this means are made free.

3. *Resolved*, That brother Z. S. Clifford be requested to explain the operations of the Commission, and that a collection be taken to aid the same.

REPORT ON STATE OF THE COUNTRY.

OUR country is still distracted with civil war. We heartily indorse the report of the Committee on the State of the Country, as published in the Minutes of last year, and we would render devout thanks to Almighty God for the success which has attended our armies since our

last annual meeting. We have observed with pleasure the results of the war policy of the President of the United States; and, in our judgment, it *was*, and is, the policy *demand*ed by the times. It has carried war into the heart of the rebellion, and well-nigh shorn the enemies of our Government of their strength, by breaking already the chains and redeeming a million of human beings from the vilest bondage that ever existed in any nation, and bids fair to inaugurate the reign of universal freedom, establishing that cardinal doctrine of the Declaration of Independence, "That all men were created equal, and endowed by their Creator with certain inalienable rights" and privileges, "such as life, liberty, and the pursuit of happiness." These results have not been gained without great suffering and loss of life. Our *soldiers* have fallen on many hard-fought battle-fields, and many have died from *wounds* and *sickness* in the hospitals. There are now, all over the land, thousands clad in mourning for those who have thus gone down to the grave of the honored dead. *Methodism is loyalty*. Our Discipline teaches us not to speak evil of magistrates and ministers, and to be *subject* to those who have the *rule* over us. Therefore,

1. *Resolved*, That it is the duty of *all* men and *especially all Christians*, to aid to the full extent of their means—and, if need be, with their lives—to suppress this attempt to overthrow our Government.

2. *Resolved*, That, as *ministers*, our duty to our country and to our God requires that we should, in our public ministrations, pray for the President of the United States, and for all that are in authority; and if any one neglect thus to pray, he shall be deemed unworthy of the position and name of a minister.

3. *Resolved*, That we heartily indorse the Proclamation issued on the first of January, 1863, proclaiming the freedom of an enslaved race. We regard it as a war measure eminently wise; as a policy highly honorable to the President's heart and head—a policy which the times, justice, humanity, and the law of God fully sustain, and we hail it as a bright *omen* for an advanced state of civilization.

4. *Resolved*, That, as ministers, we will enjoin patriotism from the pulpit, and enforce it by the Discipline.

5. *Resolved*, That, in our opinion, there is no neutral ground; and we regard that man who is unwilling to take a position in favor of his country, and maintain it, as disloyal and unworthy of a place or name in the Methodist Episcopal Church.

6. *Resolved*, That, inasmuch as slavery is the chief cause of the rebellion, and that the Methodist Episcopal Church has ever held that slavery is a heinous sin against God and nature, and it is in itself the "sum of all villainies," that we will fellowship no person who holds African slavery to be a Divine institution.

7. *Resolved*, That we hereby tender our sincere thanks to our *soldiers* in the field, who have so nobly stood between our firesides and the enemies of our country; and we mingle our tears with those who weep for loved ones that have been slain in defense of our country.

All of which is respectfully submitted.

NORMAN ALLYN, *Chairman*.

REPORT ON GERMAN ANNUAL CONFERENCES.

THE Committee appointed to consider the expediency of forming the Methodist German work into separate Annual Conferences, after due consideration of the subject, beg leave to submit the following as their report:

The German population of this country is now about five millions. Not more than one-fifth of them can be considered as under the influence of evangelical doctrines. The great object sought by our German brethren in the ministry is the evangelization, conversion, and salvation of their people in this and the father-land. In order to do this they must preach the Gospel, organize Churches, furnish them with a suitable ministry, found and support schools for the religious instruction of their children, and the education of their youth for the Church and the ministry. In trying to prosecute this great and noble work they meet with peculiar difficulties, such as are not likely to be known or easily appreciated by persons engaged only in connection with the native and English portion of our work. These difficulties *they* know and feel. For years they have been contending with them, and trying to overcome them. After an experience of twenty years or more in this work, with an earnestness, devotion, and fidelity to the cause worthy of our highest admiration, they have come to the conclusion that it would greatly subserve their interest to have their work arranged into separate Annual Conferences. Being attached, as they now are, in small portions to the several different Annual Conferences, they find a serious difficulty in supplying their pulpits, on the itinerant principle, with just that kind of talent demanded for the highest success, without resorting to transfers which they can not commend. Many of their people *must* have the Gospel preached to them in the German language; and as immigration from the old country will continue to pour its annual contributions into their congregations, this state of things will continue for many years to come. Their youth must be educated in the German language in order to take the place of their itinerant fathers when called from labor to reward. For this our educational system of free schools does not provide. The means and facilities they must supply for themselves. In their present scattered and detached situation, they meet with great embarrassment—with almost seeming impossibilities in establishing, endowing, and conducting schools, to supply this important demand. A natural love for the mother-tongue—the language of Luther, Goethe, and Schiller—a language for perfection and beauty never surpassed, and equaled only by the old classic Greek in which Homer sung, Socrates conversed, Plato wrote, and Demosthenes poured forth his thundering eloquence—as well as a desire of access to the rich and exhaustless literature of Germany, prompts every German parent to desire a knowledge of the language for his child. Other difficulties exist peculiar to the German people, just as real, and only a little less important than those already mentioned, from which they would be wholly or partially relieved by the change which they desire. Having the fullest confidence in the piety and sincerity of our German brethren, in their patriotism, loyalty,

and love of Methodism, your Committee unanimously recommend for adoption the following resolutions :

1. *Resolved*, That in our opinion the interests of the German Methodist work would be greatly promoted by forming it into separate Annual Conferences.

2. *Resolved*, That we hereby instruct our delegates to the next General Conference to use their influence to secure such an arrangement.

3. *Resolved*, That in our judgment the general interests of the Missionary cause would be subserved by the appointment of a German Assistant Secretary specially for the German work.

MEMOIR OF REV. JOHN GLAZE.

REV. JOHN GLAZE was born in Licking county, Ohio, July 30, 1811. He was early taught to hsp the name of Jesus by a pious mother, which impressions were never forgotten. He experienced religion and joined the Methodist Episcopal Church August 20, 1832. He sought and obtained the blessing of perfect love January 6, 1853. He was married to Miss Sallie Brown December 28, 1831. He served the Church usefully in the capacity of class-leader for several years; was licensed to exhort November 10, 1842, and to preach November 23, 1844. He removed to Crawford county, Illinois, February 28, 1848. He was employed by the presiding elder to travel the Palestine circuit, Illinois Conference, 1849, as junior preacher, and was placed in the same charge as a supply to the Embarrass mission. He was received on trial in the Southern Illinois Annual Conference October 27, 1862, and appointed to the Lawrenceville circuit, and was returned in 1853. He was appointed to the Albion circuit, and labored on it two years. In 1856 he was appointed to Grayville circuit, on which work his health failed, and he was granted at the ensuing Conference a superannuated relation, which he sustained for three years. He was made effective at the Conference of 1860, and appointed to Robinson circuit. He was appointed to Olney station in 1861. His last appointment was Albion, in 1862, where he ended his labors May 18, 1863.

He was an acceptable, laborious, and successful minister of the Gospel; loved most where he was known the best. In his last illness his disease affected his brain; but he was always clear in his prospects of heaven, and gave the most satisfactory evidence that he was prepared for death's gloomy vale. The last words he uttered, in answer to an inquiry made by his wife, if he was ready to go home, were: "All is well;" and so passed away.

REPORTS OF COMMITTEES.

REPORT ON EDUCATION.

THE Committee on Education beg leave to report that they have read with pleasure the Report of the Trustees of M'Kendree College, and ask to incorporate it as a part of our report, as follows; namely:

M'KENDREE COLLEGE, LEBANON, ILLINOIS, *September 24, 1864.*

To the Bishop and Members of the Southern Illinois Annual Conference:

DEAR FATHERS AND BRETHREN,—The Trustees of M'Kendree College—so long and devotedly fostered by your care—in making a brief report of their charge, would devoutly acknowledge the abundant mercy of our gracious Heavenly Father in giving us a year of great spiritual and temporal prosperity.

During the past year a precious revival of religion was experienced in the College, and many students were happily converted to God. The Church can not be too grateful for such a manifestation of the Divine approval of our labors; and we earnestly beseech your supplications, and the prayers of the people of God, for a continuance and an increase of similar blessings.

The College, for the last collegiate year, paid all its current expenses out of its ordinary receipts, and had a small balance of cash on hand at the close of the year. Of this balance, \$224 was applied toward the payment of the debts. The calculations of the probable receipts and expenditures for the coming year indicate an excess of income considerably larger.

The numbers of students were, for the first, or Fall, term, 129; for the second, or Winter, term, 122; and for the third, or Spring, term, 109. The number of scholarships already entered on is 157, of which 79 have expired.

The assets of the College are as follows, namely:

Park and buildings, with library and apparatus.....	\$26,110 00
Due to Endowment Fund and on Scholarships, principal and interest.....	25,759 00
Total.....	\$51,869 00
Liabilities due from the College, on notes, etc.....	19,714 00
Difference.....	\$32,155 00

During the last year an effort has been made to liquidate the entire indebtedness of the College. Some very marked success has attended their efforts. The Trustees, at their last annual meeting, in June, organized a Sinking Fund, by appropriating to the payment of the debts all moneys received from rents of buildings, sales of real estate, and donations; and

appointed a Commissioner to take charge of and manage this Sinking Fund. The Commissioner entered on his work at once, and up to this date is able to report that he has in his hand vouchers to show that from these three sources he has already canceled \$4,789.27 of the debt; and the good work of donations is still going on. The Commissioner has pledged for other donations, but, as he has made a rule for himself never to calculate on any man's promise to pay, he does not think proper to report these pledges.

The Trustees ask the Conference, as they have done before, to remember the College in their prayers before the Throne of Divine Grace, to send us young men to be educated, and to co-operate with the Commissioner of the Sinking Fund in his very laborious efforts to free your beloved institution from every vestige of its indebtedness.

Respectfully submitted, on behalf of the Trustees, by your obedient servant,
ROBERT ALLYN.

Your Committee congratulate the Trustees and this Conference on the very gratifying success of the Commissioner of the Sinking Fund in his efforts to liquidate the debts of the College; and they are glad to be assured that the prospects for so desirable a result are so favorable. It can not be too strongly urged upon the Trustees of the College, nor upon the preachers, nor upon the liberal friends of education in our bounds, that this time of prosperity is a golden opportunity to set the College free from all embarrassment.

The following resolutions are submitted:

Resolved, That we will co-operate with the Trustees of M'Kendree College, and with its President, in all their laudable efforts to collect money for the payment of the debts. We will welcome him to our charges, will open the way for his enterprise, and will in all ways aid him, and stimulate our wealthy friends and members to contribute to the Sinking Fund.

Resolved, That we commend M'Kendree College to the community as a good and a safe place in which to educate, and discipline, and evangelize the young. We will pray for it, and labor for its success.

Resolved, That the Bishop presiding at this Conference be requested to appoint Rev. R. Allyn President, and Revs. F. O. Blair and O. V. Jones Professors in that College.

Resolved, That the following brethren be, and are hereby, appointed Visitors to M'Kendree College. (See Visiting Committees.)

Your Committee also report that they have read the Report of the Commissioners of the Endowment Fund of M'Kendree College, and hereby incorporate it in their report:

M'KENDREE COLLEGE, LEBANON, ILLINOIS, *September 22, 1864.*

The Commissioners of the Endowment Fund of M'Kendree College respectfully report that the Fund is in a generally healthy condition. Of the original notes, there have been paid \$9,127.25. This has been invested in notes secured by mortgages, \$6,102.25; in United States Bonds and Notes, \$2,950; cash on hand, \$75.

The Commissioners very respectfully beg leave to suggest that the in-

terest due on many of these notes is not promptly paid; and in the case of several preachers who have died or located, or been expelled, or withdrawn from Conference, there is a prospect of meeting with considerable losses. They would call the attention of the Conference to this matter, especially as it has been represented to them that it was the original design of this Conference to be responsible for \$10,000 of this Fund, and, if it be not very sacredly watched, it will soon fall materially below the sum.

The quarterly report of our Treasurer to the Executive Committee is in the hands of the President, and may be seen by the Conference.

Respectfully submitted by your obedient servants,

By ROBERT ALLYN.

G. W. SEAMAN, }
WM. M. BLACK. } Committee.

We recommend the passage of the following resolutions:

Resolved, That this Conference recommend the Commissioners of the Endowment Fund of M'Kendree College to be more prompt in collecting the interest on the notes, especially of the preachers; and we pledge ourselves to aid said Commissioners in collecting and remitting any interest which may be due from persons residing within the bounds of our charges.

The Committee have also read the Report of the Trustees of the Southern Illinois Conference Female College, at Salem, a part of which we extract and incorporate here:

"The attendance during the three terms of the past college year was, in both collegiate and primary departments, as follows: First term, 66; Second term, 50; Third term, 25. During the progress of the Third term the school was suspended by the Executive Committee; and Rev. W. H. Corrington, A. M., former President of the College, was invited to the charge of it the coming year. He has consented, and the school opened September 15th, inst., with favorable signs of success."

The financial condition of the College is as follows, namely:

College, park, buildings, and apparatus.....	\$6,100 00
Old debts and subscriptions	1,500 00
Wright Fund and new notes.....	1,273 00
Total.....	\$8,873 00
Due to S. Sanford and T. M'Mackin.....	\$1,026 00
Due to M. Wright on judgment.....	1,850 00
Total.....	\$2,876 00

The Committee have learned with pain the temporary suspension of this College during a portion of the Third term of the last year; but they are happy to learn that our brother, Rev. W. H. Corrington, A. M., under whose care this institution flourished several years ago, has consented again to take charge of it. We regard this as a good omen; and, although he returns under circumstances singularly embarrassing, we are confident that success will eventually crown his labors. We also offer the following resolutions:

Resolved, That we rejoice in the selection of Rev. W. H. Corrington

for the Presidency of the Southern Illinois Conference Female College, and will do all in our power to afford him encouragement and patronage

Resolved, That the presiding Bishop of the Conference be requested to appoint Rev. W. H. Corrington, M. A., to the Presidency of the Southern Illinois Conference Female College; and that the following brethren be and hereby are appointed Visitors. (See Visiting Committees.)

Your Committee would also impress upon the members of this Conference the great importance of encouraging and patronizing our own colleges, and of urging the subject of education upon the attention of our people, and also the necessity of pressing upon the minds and consciences of our wealthy and thriving members and friends the duty of making liberal donations to our colleges, and of leaving in their wills legacies to endow professorships. We also present the following resolutions, passed by the Educational Convention, held in this church on the afternoon of yesterday, and one additional one:

Resolved, That this time of bountiful harvests and overflowing prosperity ought to be improved by the Trustees of two literary institutions—M'Kendree College and the Southern Illinois Conference Female College—to solicit donations to pay off all their debts, and to collect endowment funds to found professorships on the most liberal basis.

Resolved, That those to whom the good providence of God has given abundant prosperity ought to be forward and diligent in providing the means of giving thorough education to all coming generations.

Resolved, That the following brethren be and they are hereby appointed Visitors to the Olney Male and Female Seminary, namely: Revs. N. Hawley, Wm. Cliffe, J. Leeper, L. C. English, J. W. Nall, Hiram Sears, W. H. St. Clair, C. D. Lingenfelter, and L. A. Harper; and that we recommend this institution as worthy of the patronage and support of the members and friends of our Church, and the members of the community in general, and will regard whatever is contributed to it as given to the cause of education in the Methodist Episcopal Church.

Resolved, That we recommend that an Educational Convention be called at the next session of this Annual Conference, and that every preacher be invited to bring at least one layman with him to that Convention.

Resolved, That the preachers be urgently requested, as the Discipline directs, to preach a sermon, or to procure one to be preached, on the general subject of education in all their charges during the coming year, and to take a collection in aid of M'Kendree College and the Southern Illinois Conference Female College, bringing the proceeds to the Conference to be divided between those institutions, in the ratio of eight dollars to M'Kendree College and three dollars to the Southern Illinois Conference Female College.

All of which is respectfully submitted by the Committee.

C. J. HOUTS,
W. H. CORRINGTON,
E. JOY,
N. HAWLEY,
W. B. BRUNER,
ROBERT ALLYN.

Supplemental Resolution.

Resolved, That the Educational Convention hold their anniversary on the first evening of the next session of the Conference.

ROBERT ALLYN,
C. J. HOUTS.

FINANCIAL REPORT OF M'KENDREE COLLEGE.**Annual Report of the Trustees.**

M'KENDREE COLLEGE, LEBANON, ILLINOIS, *September 22, 1864.*

To the Bishop and Members of the Southern Illinois Annual Conference :

DEAR FATHERS AND BRETHERN,—The Trustees of M'Kendree College, so long and devotedly fostered by your care, in making a brief report of their charge, would devoutly acknowledge the abundant mercy of our gracious Heavenly Father in giving us a year of great spiritual and temporal prosperity. During the past Winter, a precious revival of religion was experienced in the College, and many students were happily converted to God. The Church can not be too grateful for such a manifestation of the Divine approval on our labors, and we earnestly beseech your supplications and the prayers of the people of God for a continuance and an increase of similar blessings.

The College, for the last collegiate year, paid all of its current expenses out of its ordinary receipts, and had a small balance of cash on hand at the close of the year. Of this balance \$224 was applied toward the payment of the debts. The calculations of the probable receipts and expenditures for the coming year indicate an excess of income considerably larger.

The number of students were for the first, or Fall, term, 129; for the second, or Winter, term, 122; and for the third, or Spring, term, 109.

The number of scholarships already entered on is 157, of which 79 have expired.

The assets of the College are as follows :

Park and buildings, with Library and Apparatus.....	\$26,110 00
Due Endowment and on Scholarships, principal and interest.....	25,759 00
	<hr/>
	\$51,869 00

LIABILITIES—Due on notes and accounts, about..... 19,714 00

During the last year an effort has been made to liquidate the entire indebtedness of the College. Some very marked success has attended these efforts. The Trustees, at their last annual meeting, in June, organized a Sinking Fund, appropriating to the payment of the debts all moneys received from rents or buildings, sales of real estate and donations, and appointed a Commissioner to take charge of and manage this Sinking Fund. The Commissioner entered on his work at once, and, up to this date, is able to report that he has in his hands vouchers to show that from these three sources he has already canceled \$4,789.27 of the

debt, and the good work of donations is still going on. The Commissioner has pledges for other donations, but, as he has made a rule for himself never to calculate on any man's promise to pay, he does not think proper to report those pledges.

The Trustees ask the Conference, as they have done before, to remember the College in their prayers before the Throne of Divine Grace, to send us young men to be educated, and to co-operate with the Commissioner of the Sinking Fund in his very laborious efforts to free your beloved institution from every vestige of its indebtedness.

Respectfully submitted, on behalf of the Trustees, by your obedient servant,

ROBERT ALLYN.

Report of the Endowment Fund Commissioners.

M'KENDREE COLLEGE, LEBANON, ILLINOIS, *September 22, 1864.*

To the Bishop and Members of the Southern Illinois Annual Conference:

DEAR FATHERS AND BRETHREN,—The Commissioners of the Endowment Fund of M'Kendree College respectfully report that the Endowment Fund is in a generally healthy condition. Of the original notes there have been paid \$9,127.25. This has been invested as follows, namely:

Notes secured by mortgages.....	\$6,102 25
United States Notes and Bonds.....	2,950 00
Cash on hand.....	75 00
Total, as above.....	\$9,127 25

The remainder is still due on the original endowment notes, which fall due July, 1865.

The Commissioners very respectfully beg leave to suggest that the interest due on many of these notes is not promptly paid, and, in case of several preachers, who have died, or located, or been expelled, or withdrawn, there is a prospect of meeting with considerable losses. They would call the attention of the Conference to this matter, especially as it has been represented to them that it was the original design of the Conference to be responsible for \$10,000 of this Fund, and, if it be not very sacredly watched, it will soon fall materially below that sum. The quarterly report of our Treasurer to the Executive Committee is in the hands of the President of the College, and may be seen by the Conference.

Respectfully submitted, by your obedient servants,

G. W. SEAMAN, }
W. M. BLACK, } *Com's.*

FINANCIAL REPORT OF THE SOUTHERN ILLINOIS FEMALE COLLEGE.

To the Rev. Bishop Janes and the Members of the Southern Illinois Conference, for the year 1864, assembled at Belleville, Illinois :

Report of the Southern Illinois Female College, at Salem, respectfully shows that this College opened the collegiate year, at the usual time, with Hubbard Fish, A. M., as Superintendent, and a competent Faculty.

That the attendance during the three terms of the past collegiate year was:

	First Term.	Second Term.	Third Term.
In College Department.....	39.....	38.....	25
In Primary Department.....	27.....	12.....	00
	66.....	50.....	25
Total.....	66.....	50.....	25
Of these foreign students were.....	20.....	21.....	11

That the College is now in a very precarious condition, and needs the moral support of the Conference. The Executive Committee desire, as succinctly as possible, to state why this moral support is asked.

Mr. Fish is not now the President, and they present the following transcript from the records of the Executive Committee :

"SALEM, MAY 17, 1864.

"Executive Committee met. Present, Rev. T. F. Houts, Ed. Bennett, Henry Moore, Secretary. The meeting was held for the purpose of considering what could be done to save the reputation of the College from the baneful effects of the mismanagement of President Fish; he having dismissed students and permitted others to leave without giving any reason for the same; and telling some, on last Friday, there would be no more school; and when asked by some others, if the school was ended, he treated them with coldness, and would not give a plain answer. In the mean time he had engaged to take charge of the post-office, having reduced the school to six or seven students; and from a review of the acts of the President of the College, we consider it the best to dismiss Mr. Fish from the Presidency of the College, and suspend the school for the remainder of the present collegiate year.

"Resolved, That the Secretary, Henry Moore, be a committee of one to inform Mr. Fish that the Board have dismissed him from the Presidency of the College.

"Resolved, That brother Ed. Bennett be a committee of one to prepare a circular letter, in the name of the Executive Committee, and to address it to the patrons and friends of the College, whose children have been dismissed from College by Mr. Fish. Adopted."

The College having been thus broken up, the present Board of Trustees and Visitors did not, at their annual session, in June last, elect a President or Faculty, but devolved that duty on the Executive Committee.

That Committee have requested Rev. W. H. Corrington, A. M.—a member of your Conference—former President of the College, to take

charge of it, and endeavor to resuscitate it, if such be possible. He has consented, and the College opened on 15th September, inst. The moral support of the Conference is desired to sustain this institution in its present really-discouraging position.

The financial condition of the College is as follows:

ASSETS.	
College Park, about.....	\$600 00
College Building, about.....	5,000 00
Furniture and Apparatus, about.....	500 00
Old Notes and Subscriptions, (uncollectible).....	1,500 00
Wright Fund, balance unpaid.....	1,135 00
New Notes, etc.....	138 00
Total.....	\$8,873 00
LIABILITIES.	
Due S. Sanford, about.....	\$1,000 00
Due T. M' Mackin, about.....	26 00
Due Mr. Wright on judgment, about.....	1,850 00
Total.....	\$2,876 00

To meet these debts there is only the Wright Fund and new notes above mentioned, leaving a deficit of \$1,603, exclusive of the College park, building, and apparatus.

It is suggested that the Conference sanction an appeal to Christian liberality in aid of the embarrassing pecuniary condition of the College.

It is requested that the presiding Bishop appoint Rev. W. H. Corrington—member of the Conference—the President of the Southern Illinois Female College.

By order.

W. M. ELLIOTT, *Chairman.*

JAMES BASSETT, *Secretary.*

REPORT ON THE BIBLE CAUSE.

THE Bible is the only true basis of civil and religious liberty, the great Constitution of the Church, divine in its origin, infallible in its teachings, and should, at the earliest practical period, be made the book of the world. The American Bible Society has now been in existence nearly half a century. During this time it has issued from its depository for circulation in our country over ——— of Bibles, or part of Bibles, and is now adding to this number at the rate of ——— copies daily. The Bible is also circulated in seventy or eighty foreign languages. The Word of Life is being scattered abroad like the leaves of Autumn; therefore,

1. *Resolved*, That we approve the efforts of the American Bible Society to give "the Word of Life" to the perishing millions of earth.

2. *Resolved*, That the plan adopted for carrying on the Bible work in Illinois meets our approbation, and, as Christian ministers, we will cooperate with the Agents in the glorious work.

3. *Resolved*, That we will preach on the Bible Cause during the ensuing Conference year, and assist the Agents in supplying the destitute with the Word of God to the best of our abilities.

WM. CLIFFE, *Chairman*.

REPORT ON THE TRACT CAUSE.

YOUR Committee beg leave to report that it is with pleasure we learn, from the annual report of the Tract Society, that the Society is in a flourishing condition, and doing a good work in spreading a sanctified literature over these lands. Especially in the Army of the United States are they doing a Christian and patriotic work, in scattering, as Autumn leaves, Divine truth in tract form, which, under God, has been a blessing to many sick and dying soldiers, cheering them in the dying hour.

Resolved, That we use our influence, as ministers, to extend, in every way possible, this good work. C. D. LINGENFELTER, *Chairman*.

SUNDAY SCHOOL REPORT.

1. *Resolved*, That we will urge upon our people the propriety and duty of continuing our Sabbath schools during the Winter season.

2. *Resolved*, That we will visit the Sabbath schools of our various charges, and urge parents and teachers to greater diligence and fidelity in this good work. C. M. HOLLIDAY, *Chairman*.

REPORT ON TEMPERANCE.

THE Committee on Temperance would respectfully report that they have reason to fear that the evils of intemperance are fearfully on the increase. On every hand the dreadful tide is sweeping myriads into perdition. Many of the rising generation are insensibly floating into the vortex, and are thereby destroying the hope of our country and of the world. Nor can it be denied that intemperance is one of the crying sins of the nation, which have called down the judgments of Heaven upon us in the fearful scourge of civil war. To counteract the increasing influence of intemperance requires strong, united, and vigorous efforts. Your Committee would, therefore, recommend the adoption of the following resolutions:

1. *Resolved*, That we will endeavor to execute our General Rule on Temperance, mildly, but vigorously, in all our charges.

2. *Resolved*, That, in reading our General Rules in the congregation, we will faithfully warn the people against the enormous sins of intemperance.

3. *Resolved*, That, wherever it is practicable, we will use our influence to get up public discussions on the subject of temperance, and will diligently circulate tracts on the subject, and, by these and other suitable means, will strive to arouse the public against the alarming evils of intemperance.

Respectfully submitted.

JOHN THATCHER.

REPORT ON THE SABBATH.

THE Committee on the Sabbath report that, from the general information obtained, there is a great desecration of the Sabbath in our land. We do not presume that our people are encouraging this fearful evil, but we sometimes wonder if they try to exert a prudent but firm influence against this demoralizing sin that is corrupting our youth and children, and destroying the peace and quiet of the holy Sabbath; therefore,

1. *Resolved*, That it is the duty of all Christians and ministers to give due attention to the subject, and try all prudent measures to secure the greater sanctity of the holy Sabbath.

2. *Resolved*, That we recommend all our preachers to preach on the subject, and discourage the following practices; namely, Sabbath visiting, neglecting the sick all the week and burdening them on Sabbath, Sunday trips on the cars, or otherwise, and neglecting public worship, showing the spirit of indifference about consecrating to sacred rest that portion of our time which the law of God requires.

All of which is respectfully submitted.

REPORT ON PERIODICALS.

THE Committee on Periodicals beg leave to report that they feel grateful that a kind Providence has given us, as a Church, so large, so pure and influential a literature as is presented in our periodicals; and, while they are sound in morals, they are loyal, and we thank God that the foul blot of treason has not defiled any of them. As a Conference, we are pleased with the action of our late General Conference in reference to the "Central." We are glad that the child of Providence, adopted in 1860, is now to appear in the habiliments of manhood; and, as a chaste daughter in the family of Advocates, is destined to become the parent of Advocates in the great South-West; therefore,

1. *Resolved*, That, while we esteem all our periodicals, the "Central" is the paper of this Conference, and, as such, we will labor to place it in every family in our respective charges.

2. *Resolved*, That, at some proper time, we will take up a collection in our several charges for the purpose of supplying the soldiers with

the "Central," and we recommend the Christian Commission as the channel through which to supply these worthy brethren.

3. *Resolved*, That in our venerable ex-editor we have had an able and efficient pilot in the midst of the storm, and in his retirement he carries with him our prayers and best wishes for his happiness.

4. *Resolved*, That we give the present incumbent of the chair editorial a hearty acceptance, and will sustain him by our prayers and united efforts.

C. J. T. TOLLE, *Chairman*.

REPORT ON FREEDMEN'S AID COMMISSION.

THE undersigned, a Committee on the North-Western Freedmen's Aid Commission, beg leave respectfully to report:

The subject of the care and education of the millions of men, women, and children who have been, or soon will be, made free, either by the Proclamation of the President of the United States, or by the progress of our armies southward, is of vast importance both to the Church and the country. So many persons, now in great ignorance, having their relations to society suddenly changed from slavery to freedom, must not only produce a vast change in the moral, social, political, and religious world, but must also be a subject of the greatest moment to mankind. The Church of Christ ought to take a deep interest in the work of caring for, educating, and evangelizing these people. We recommend to all the preachers that they make this matter a subject of reflection, and bring it before their people for combined and benevolent action. We present the following resolutions:

Resolved, That the work of the Freedmen's Aid Commission deserves and shall receive our cordial sympathies and our earnest labors to advance the great work of educating, Christianizing, and refining the millions set free by the wonderful providences of God in our land.

Resolved, That we will, so far as may be possible, co-operate with any agents regularly authorized by this Commission to accomplish their work.

REPORT ON THE STATE OF THE COUNTRY.

It is our painful duty to record the fact that our country is still afflicted with the desolating scourge of war. As philanthropists, we can only mourn over the necessity that causes such an effusion of blood; that has made so many widows and orphans among us; that has made so many hearts desolate; that has maimed and disfigured so many of our fellow-citizens; and that has brought so much disgrace upon us as a Christian nation. And yet our sorrow is greatly alleviated by the fact that success has crowned and is crowning the arms for the suppression

of the rebellion and the restoration of the Union. As patriots, we can not but rejoice over the victories gained by the Union over the rebel arms.

As ministers of the Gospel of peace, we can not advocate or engage in war for its own sake; but when the necessity is forced upon us—when war is the *dernier resort* for the preservation of the life of the nation—then we believe it should be prosecuted with vigor till the existence of the nation is put beyond the reach of danger. We can now see no way to restore permanent peace to our country but to gain a decisive conquest over the rebels.

As loyal citizens of the United States, we feel it to be our duty to support the Administration, and we do so most heartily, believing that although our President is fallible, and may have erred in judgment, yet his intentions have been honest, and his administration has been the best of which he was capable under the circumstances. We rejoice in the mild and conciliating course that has characterized the Administration toward those who have indicated a desire to return from their rebellion to their allegiance and loyalty to the Federal Government.

Believing that slavery is the great cause of the rebellion, and that permanent peace can never be restored to our nation till this cause is removed, we heartily concur in the President's Emancipation Proclamation.

We can not conclude this report without expressing our attachment to the principles of civil and religious liberty, as contained in the Constitution of the United States. These principles are too dear to us to be tamely surrendered at the dictation of Southern rebels or Northern traitors. In conclusion, we offer for the adoption of the Conference the following resolutions:

Resolved, That we are for the integrity of the entire Union, with the complete abolition of slavery, and obedience to constitutional law, and believe this end can not be attained without vigorous prosecution of the war for the suppression of the existing rebellion.

Resolved, That sympathy with rebels and rebellion is sin; and since our country is bleeding, and our soldiers falling on the field of battle, and dying in the hospitals in front of armed rebels, those preachers who make rebels at home their confidants, and of choice minister to them, are guilty of giving comfort to the enemies of our country, and thus sin against God.

Resolved, That we heartily approve the action of the General Conference on slavery, and that we will explain this to our people publicly.

Resolved, That it is the duty of our preachers to pray in public for the President of the United States, and for all our civil rulers, together with the commanders of our army and navy, and for the success of our arms in putting down this infamous and most unholy rebellion.

Respectfully submitted.

JOHN VAN CLEVE, *Chairman.*

REPORT ON MINISTERIAL SUPPORT.

YOUR Committee, composed of a minister and layman from each district, to whom was referred the subject of "ministerial support," would beg leave to present the following report. The question of ministerial support is one of painful and vital interest—one which demands the prayerful consideration of the Church.

God, in calling men to the work of the ministry, and laying upon them the obligations to preach the Gospel, has "ordained that they should live of the Gospel." Hence the obligations to support the Gospel are as binding upon the Church as are the obligations of ministers to preach. God hath joined these obligations together, and there can be no divorce-ment. The failure of the Church to discharge this most sacred obligation in a spirit of liberality, has forced men, whom God hath called to the work of the ministry, and whose labors he has owned in the conversion of souls, into locations that they might provide for the maintenance of their families, and the education of their children. This has worked a great evil in depriving the Church of the labor of men of experience. Many have remained in the work by drawing upon and sometimes exhausting their private funds.

The present great advance in the absolute necessities of life imperatively demands the attention of the Church. A crisis has been reached, and unless the salaries of our ministers are advanced in corresponding ratio with the advance in living, the Church must and will suffer loss—it must and will retrograde. If they that "preach the Gospel" can not "live of the Gospel," they will be compelled to seek employments which will support them, that they may "provide for their own households," and not become "worse than infidels."

The liberality manifested by the Church hitherto in the support of the Gospel, and other benevolent causes, indicates that this lack of ministerial support, which has been felt most keenly by many of the brethren, during this Conference year, resulted in a great measure from a want of a proper consideration of the subject, and from a lack of concert in action. In most instances the claims were by no means proportionate to the advanced prices, and then no systematic efforts were made to meet them. It is therefore,

1. *Resolved*, That the estimating committees be most respectfully recommended to allow our ministers claims which will comfortably support them and their families.

2. *Resolved*, That when the apportionment is made out by the quarterly conference to the several societies, it shall be the duty of the stewards and leaders of each society to apportion that amount to the members of said society, and to present the same to them individually, and if possible obtain a pledge of them to pay the same in weekly, monthly, or quarterly installments. It is believed by your Committee that the Disciplinary plan is the best that can be devised for raising supplies, and that with proper effort on the part of the presiding elders, pastors, stewards, and leaders, it can be executed in the minutest details throughout the Conference.

3. *Resolved*, Where the circuits are large, and the membership scattered, it is recommended that financial classes be formed in accordance with the first paragraph, first section, second chapter, part sixth, of the Discipline, that this plan be fully carried out.

4. *Resolved*, That the pastors be instructed to call an official meeting at the beginning of the Conference year, and lay before them this report.

5. *Resolved*, That the presiding elders are hereby requested to aid in the execution of this plan, and to preach on the subject of ministerial support once during the ensuing year, in each one of their several charges.

Whereas, it has been represented to the Committee that the funds have not always been distributed *pro rata*;

6. *Resolved*, That we hereby instruct the stewards to adhere to the Discipline in the distribution of what has been raised for the support of the Gospel, between the pastors, or between the pastors and presiding elder.

All of which is most respectfully submitted.

T. A. EATON, *President*.

J. S. MOORE, *Secretary*.

REPORT ON MANUSCRIPT OF REV. JOHN THATCHER.

THE Committee, to whom was referred by the last Conference a manuscript of John Thatcher, have given it the examination which their time and circumstances would permit. Though the author occupies an old field, which has been often gleaned by other laborers, yet he has gathered up some new thoughts, and presented some old ones in a new light; so that the work is not a rehash of preceding authors, but is a new treatise on the subject which he proposes to investigate.

The style is clear and simple, the arguments strong and conclusive, the criticisms just, and the Scriptural doctrine of the subjects and mode of baptism fully brought out and sustained. If the work should be published, we think it will subserve the interests of truth, and do good in the department of theology, which it is intended to occupy. As such we commend it to the Church.

J. B. CORRINGTON,
J. P. DAVIS.

MISCELLANEOUS RESOLUTIONS.

Whereas, in the operation of our itinerant system, sacrifices of preference and convenience are necessary upon the part of both people and preachers, making it very desirable that we may guard against all avoidable pressure and friction; therefore,

1. *Resolved*, That we earnestly recommend that *all* our preachers constantly try to manage their temporal business so that they may remove to different parts of the Conference when the interests of the work shall require.

2. *Resolved*, That we approve the practice of our people representing fully and freely their circumstances and wants to the Bishop by petition, memorial, or otherwise, and describing the *character* and *class* of men that would suit them, but affectionately and distinctly advise that no charge ask specifically for a particular man without suggesting more than one.

3. *Resolved*, That to arrange before Conference for a specific appointment is calculated greatly to embarrass all, the Bishop and his counselors, and we emphatically disapprove of such a practice.

A. B. NESBIT,
J. A. SCARRITT.

Resolved, That the thanks of this Conference be tendered to the citizens of Belleville and vicinity for the kind manner in which they have entertained its members during its present session.

Resolved, That the thanks of this Conference be tendered to the pastors and congregations of other denominations of this city, at whose invitation our ministers occupied their pulpits during the Sabbath of the session.

Resolved, That we indorse the work of the United States Christian Commission as one of the most glorious missionary enterprises of the day, and well worthy of the support and sympathy of all good men every-where.

CONGDON MILLIARD.

Resolved, That the preachers in charge be requested to prepare a list of the local preachers on their respective charges, giving the orders in which they stand, the circuits and districts to which they belong, and their post-office address, to be handed to the Committee on Post-Offices at the next session of the Conference.

J. B. CORRINGTON,
GEO. W. ROBBINS.

Resolved, That T. A. Eaton, P. P. Hamilton, and T. F. Houts be appointed a Committee to present a memorial to the Legislature of the State of Illinois, at its next session, asking it so to modify the law on elections that ministers of the Gospel may not be deprived of the right of suffrage by their removals.

Resolved, That the collections raised for sending the Central Christian Advocate to the soldiers be sent to Thomas J. Maslin, at St. Louis, and that all papers not otherwise directed be turned over to the United States Christian Commission for distribution.

J. D. GILLHAM,
W. H. CORRINGTON.

To obviate any serious defection of the youth under our supervision from the paths of virtue and the enjoyments of religion, which may be caused by our public difficulties,

Resolved, That we will not only labor assiduously to push forward the

interests of Sabbath schools in our Conference, but will preach occasionally and directly to the children of our respective charges.

HIRAM SEARS.

Resolved, That hereafter the annual missionary sermon be preached on the evening preceding the opening the session of the Conference.

E. JOY,

C. J. HOUTS.

In view of the wants of the Army and Navy, to facilitate the diffusion of a sound religious literature among them, and to show our abiding sympathy for our brave men who are suffering in the cause of right and truth,

Resolved, by the members of this Annual Conference, That we will take up a collection in our respective charges during the Conference year, and forward to the Christian Commission for these noble purposes.

HIRAM SEARS.

Resolved, That the preachers be earnestly requested, as the Discipline directs, to preach a sermon, or procure one to be preached, on the general subject of education, in all their charges, during the coming year, and to take a collection in aid of M'Kendree College and the Southern Illinois Conference Female College, bringing the proceeds to the Conference, to be divided between those two institutions in the ratio of eight dollars to M'Kendree College and three dollars to the Southern Illinois Conference Female College.

To obviate the difficulties in the way of getting up suitable memoirs of our deceased brethren, from time to time,

Resolved, That the presiding elders be, and are hereby, requested to gather up and furnish the Conference with suitable statistics of the lives and ministry of such brethren as fall in their respective districts.

HIRAM SEARS.

MEMOIRS.

REV. NORMAN ALLYN.

REV. NORMAN ALLYN was born in Hartford, Connecticut, January 23, 1810. He was an earnest and able minister of the Gospel in the Methodist Episcopal Church for nearly thirty years. Brother Allyn served the Church in some of her most responsible offices. He acted in the capacity of presiding elder for many years. He served as delegate to the General Conference, and in Christian labors he was faithful and abundant. As an example of patience and perseverance, we can safely say that brother Allyn has never been excelled by any minister we have known. It was the happy privilege of one of the Committee on these memoirs to profess the religion of Jesus at a revival of religion conducted by this eminent and useful man of God at Naples, Illinois, in the early part of the year 1842. Hundreds have been gathered into the Church by this excellent man, and thousands have been cheered and instructed by his counsels and encouragements. He died of typhoid-

pneumonia, in blessed hope of immortality, at Bunker Hill, Illinois, March 27, 1864. Brother Allyn leaves behind a devoted wife, family, and numerous friends to mourn his loss. "Let me die the death of the righteous, and let my last end be like his."

REV. CARLISLE BABBITT.

REV. CARLISLE BABBITT was born in the State of Vermont, March 19, 1808. He experienced religion at a camp meeting held near the city of Dayton, Ohio. He entered the traveling connection of the Methodist Episcopal Church in the Kentucky Conference, in the Fall of 1831. He was married to Miss Sarah Holding in the Fall of 1835, and was ordained elder at the Conference of the same year. He traveled extensively, and preached for more than thirty-one years. He was a fast friend of education, and labored to build up the institutions of the Church. He traveled part of his time as presiding elder. He located in the Fall of 1855, and, having removed to Illinois, was readmitted into the active service of the Church, in Southern Illinois Conference, in 1857. He always entered upon his work, after each session of his Conference, impressed with the great importance of the work to which Providence assigned him. He was prompt in his attention to all the financial interests of the Church. Brother Babbitt was a kind father and affectionate husband, and an excellent pastor. His last sickness was pneumonia, with which he suffered much; but his confidence in the Divine mercy was complete. With a heart full and triumphant, with faith and affection he bade his family adieu. And thus he passed away from labor to rest, and from a life of anxiety and trial to his glorious reward, at Olney, Illinois, on Sabbath, June 26, 1864.

REV. R. J. NALL.

REV. R. J. NALL was born January 11, 1818. He was licensed to preach, and admitted on trial in the traveling connection of the Methodist Episcopal Church, in the Illinois Conference, in the Fall of 1839. He was ordained deacon in 1841, and was admitted to elder's orders in 1843. He was a faithful and laborious minister of the Gospel for nearly twenty-five years. For several years he filled the office of presiding elder in an acceptable manner. His last illness was a complication of diseases, but was mostly characterized by dropsy of the heart. His sufferings were very great, as he had to sit up in his chair for many weeks together. His mind was calm and staid on God. His faith in the promises of the Gospel was strong and triumphant. And on the 2d of August, at Lawrenceville, Illinois, he fell asleep in Jesus, leaving a family and numerous friends to mourn his departure. In reviewing the life of this excellent minister, we can freely sum up his character in a few words. He was a happy, good, and most useful man.

DAY AND EVENING SESSIONS.

GUNDRY'S MERCANTILE COLLEGE,

North-West Corner Fifth & Walnut Streets,
CINCINNATI, OHIO.

"The Oldest Institution of the Kind in the United States."—HUNT'S MERCHANTS' MAG., MAY, 1849.

BOOK-KEEPING, PENMANSHIP, CORRESPONDENCE, CALCULATIONS, COMMERCIAL LECTURES, ETC.

System of Instruction in Book-Keeping, Mercantile Calculations, etc., uniformly admitted, by all competent judges, to be far superior to all others extant.

Mr. E. P. GOODNOUGH, of the firm of Crowther & Goodnough, north-east corner of Fifth and Main Streets, an accountant of over fifteen years' standing, and late teacher of Book-Keeping, etc., in Commercial Colleges in Cincinnati, Cleveland, and Pittsburg, says:

"Mr. Gundry's system of instruction in Book-Keeping, Commercial Calculations, etc., is original and philosophical, and it is believed far superior to all others extant; that, while weeks of time and labor may be saved to the student, over any and all other methods, more thoroughness is necessarily imparted."

This statement is sustained by over one hundred of the leading Book-Keepers in Cincinnati, including many graduates, and those having been teachers in rival establishments. (See Circular.)

A. GARDNER, Book-Keeper for A. Simpkinson & Co., 99 Pearl-Street, a graduate of one of a series of Commercial Schools established in different cities, and lately in this, says:

"I have no hesitancy in stating that a student can, on commencing his studies, learn more about Book-Keeping—and that more thoroughly—in one week, under the system of instruction pursued at Gundry's Commercial College, than in three or four weeks at the institution in which I graduated, or under any other method that has come under my notice; that Mr. Gundry's system of teaching Book-Keeping, Commercial Calculations, etc., presents several new and important features that I have not seen elsewhere, and would therefore recommend this institution in preference to all others."

PRACTICAL DEPARTMENT.

BUSINESS CONDUCTED IN ACCORDANCE WITH ACTUAL PRACTICE IN THE BEST-REGULATED
BANKING AND BUSINESS HOUSES,

On a plan peculiar to this Institution, and affording the practical business discipline of the counting-room.

We, the undersigned, having examined Mr. Gundry's system of Banking, can recommend it as embracing all the essential particulars of the most improved methods of keeping bank-books. His plan of instruction, also, we believe better calculated to impart a practical knowledge of the subject, and of financial operations generally, than any other method that has come under our observation.

DR. WALDO'S INFIRMARY FOR DISEASES OF THE

E Y E ,

Surgical Operations, Insertion of Artificial Eyes, etc.,

FOURTH-STREET, CORNER OF RACE, CINCINNATI.

"Which eye is it?" was asked of a beautiful young lady, as she turned from her mirror with a smile of admiration, at the magical change of her previously-deformed and unsightly features, to a lifelike symmetry produced by the adaptation, a moment previously, of an artificial eye, so radiant in color, so intellectual in expression, such brilliancy of motion in unison with the natural eye, that her own father involuntarily exclaimed, "Which is the new eye?"

Instead of cutting out the old eye, as formerly practiced, DR. WALDO adapts the new eye to the remains, more or less, of the old one, and no instruments being used, except the fingers, consequently there is no pain in having an eye fitted.

No charge whatever unless suited in style and price.

ALLEN'S LUNG BALSAM,

THE GREAT REMEDY

FOR CURING

Consumption, Coughs, Colds, Asthma, Croup, Diseases of the Throat, Pains and Oppression of the Chest and Lungs, Bronchitis, Difficult Breathing, and

ALL THE DISEASES OF THE PULMONARY ORGANS.

It is one of the most valuable remedies known for curing diseases of the Lungs. It excites expectoration, and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system.

Such is the immediate and satisfactory effect that IT IS WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS.

It is warranted not to produce costiveness—which is the case with most remedies—or affect the head, as it contains no opium in any form. It is warranted to be perfectly harmless to the most delicate child.

There is no real necessity for so many deaths by Consumption, when Allen's Lung Balsam will prevent it, if taken in time.

Do NOT DESPAIR, although all other medicines have failed, but give this remedy a trial.

REPORTS OF COMMITTEES.

No. I.—ON SUNDAY SCHOOLS.

The Committee on Sunday Schools would respectfully report: That they believe Sunday Schools to be an important aid in the moral and religious training of the rising generation, the hope of our country, which may in an important sense be called the hope of the world. But although the importance of Sunday Schools can scarcely be over-estimated, yet still they are to be held subservient to family religion and the preaching of the Gospel, for which Sunday Schools furnish an excellent opportunity. We should therefore use all our influence to organize and rigorously sustain Sunday Schools wherever it is practicable, and to make them as efficient as possible, to aid us in securing the early conversion and the thorough moral and religious culture of the children more or less under our charge.

We would therefore offer for adoption the following resolutions:

1st, *Resolved*, That we pledge ourselves to renewed and vigorous exertions in organizing and sustaining Sunday Schools under our own care, whenever it is practicable, in supplying them well with our own books and periodicals, and whenever we can, in keeping them up throughout the year.

2nd, *Resolved*, That we will earnestly endeavor so to use influence in our own and other families, and also in Sunday Schools, as to promote the immediate conversion of the children, and also their ready and cheerful submission to parental and other lawful authority; and especially to lead them on to deep and earnest piety, and to holiness of heart and life.

JOHN THATCHER, *Chairman.*

No. II.—ON TRACT CAUSE.

Your Committee on the Tract Cause would respectfully report: That the history of the past fully proves the great utility of the Tract Cause, in spreading the Truth as it is in Jesus. That it meets the religious wants of a class of people which cannot well be met in any other way. It is therefore the

imperative duty of all who would labor for the promotion of Christ's Kingdom, to give it their hearty support.

Therefore Resolved: That we will faithfully present its claims to our respective congregations, and earnestly solicit contributions in its behalf.

No. III.—ON EDUCATION.

To the Southern Illinois Conference:

DEAR FATHERS AND BRETHREN.—The undersigned, appointed a Committee on Education, beg leave respectfully to report:

That we have had the subject under consideration and are more than ever impressed with the great importance of sound instruction and godly discipline. We realize that "knowledge and vital piety" ought, in the language of Mr. Wesley, to be united and made mutual helpers. And we believe that we, as ministers, have no more efficient co-workers in our grand mission of spreading Scriptural holiness over these lands, than our seminaries and colleges. We also recognize it as our duty to make special mention of these great agencies in our prayers and in our public ministrations. Our people ought to be urged to remember, among their annual benefactions, our institutions of learning, and they should be taught to make them heirs in their wills. No other donations can do greater good to the world or more specially bless the givers and their families. During the closing months of our Centennial year, special effort should be made in the work of permanently endowing our seminaries and colleges. The ministers of God should both publicly, and from house to house be instant in season and out of season to secure so glorious a consummation as the establishment of such fountains of learning and piety.

M'Kendree College.

The report of the Education Committee shows this institution to be in a very prosperous condition. Its prospects were never better. Financially its condition is much improved, while the constant increase in the number of its students, evinces its growing popularity.

The success of the college inspires us with still more confidence in the ability and fitness of President Allyn, whose persevering efforts as a financier and educator have done so much to establish and sustain its reputation.

We offer the following resolutions:

1st. *Resolved*, That the presiding Bishop be requested to appoint Rev. R. Allyn, President, and Revs. F. O. Blair and O. V. Jones Professors in M'Kendree College.

2d. *Resolved*, That in view of the great utility of M'Kendree College, in advancing the interest of the Church, and in disseminating Gospel Truth, we pledge to it a hearty support, giving to it all the preference in our charitable collections, which the importance of its work demands.

3d. *Resolved*, That we will, this Centenary year, make special efforts to relieve the college of its financial embarrassments by soliciting liberal contributions to the sinking fund.

4th. *Resolved*, That we will do all in our power to send students to M'Kendree College, and will ever pray Heaven's richest blessing to rest upon this institution.

5th. *Resolved*, That the Visiting Committee consisting of twenty-five members be divided into five classes, to serve one, two, three, four and five years, as may be determined by lot immediately after appointment, and that five shall be appointed annually, to serve for five years each, to fill the accruing vacancies.

The committee further desire to present and incorporate as a part of their report, the following Report of the Visiting Committee appointed this last year, to visit M'Kendree College.

To the Bishop and Members of the Southern Illinois Conference:

DEAR FATHERS AND BRETHREN.—In behalf of the Visiting Committee of the Conference to M'Kendree College, I beg leave to make the following report:

The past year has been one of prosperity for the College. A larger number of students than usual have been in attendance; and the reports of the Faculty and Examining Committees showed that attainments creditable both to the Faculty and students have been made. There was a good revival of religion in the station during the past winter, in which the students of the College shared largely.

The financial condition of the College will be learned from the following:

Total.....\$53,854 00

The whole indebtedness of the College, including Dr. Cobleigh's claim of \$1000, which he has promised to donate to the College, is \$15,150 00.

By the persistent efforts of Dr. Allyn, Sinking Fund Commissioner, the debt is being slowly removed.

The following resolution was adopted by the Joint Board, viz:

Resolved, That we re-affirm a former resolution, respectfully requesting the presiding elders and preachers in charge of the Conference to assist the Endowment Fund Commissioners to collect notes, principal and interest, and that the matter be pressed as earnestly as possible.

The following resolution was also adopted, viz:

Resolved, That the Endowment Fund Commissioners be authorized and requested to give up to proper persons endowment notes that are or may be in their hands, against deceased Methodist Preachers, when substitute notes are placed in their hands to the amount of the principal of such deceased preacher's note, and that it be endorsed on the new note that it is a substitute note.

Respectfully submitted in behalf of the Visiting Committee of the Conference.

JOHN LEEPER.

LEBANON, ILL., June 18, 1866.

P. S. It is due to Dr. Allyn to say that he has exchanged the notes that have been substituted for, endorsing the fact that it is a substitute note, on the new note.

J. L.

Southern Illinois Female College.

We rejoice to learn from the facts set forth in the reports of the Executive and Visiting Committees, that this institution is growing in favor. If it could be relieved of its present

financial embarrassment, its usefulness would be greatly increased and its success become a certainty.

The importance of this institution for female education cannot be over-estimated. It is the only institution of the kind in Southern Illinois. We are forced to the conclusion, that unless this Institution is sustained, many of the daughters of our Church will be educated in Roman Catholic schools. A practice already too prevalent among us, and one that cannot be too highly reprehended.

The patronage of last year and the financial prosperity of the college, entitle President Moore to our fullest confidence as a financier and educator.

We submit the following resolutions :

1st, *Resolved*, That we will continue to give the Southern Illinois Female College our earnest prayers for its success. We will commend it to our people, and urge them to send their daughters there to be educated.

2nd, *Resolved*, That we request the presiding Bishop to appoint Rev. J. S. Moore, A. M., as President and Financial Agent of this College, and Rev. W. Wallis, A. B., Professor of Ancient Languages and Literature.

3d, *Resolved*, That each preacher in charge be required to make an earnest effort to raise at least \$20, in the bounds of his charge, to pay off the debt of the Southern Illinois Conference Female College, at Salem, Illinois, and forward the same to the President, Rev. J. S. Moore, by the first of December, 1866.

4th, *Resolved*, That we cordially endorse the action of the Executive Committee of the Southern Illinois Female College, in organizing the Ladies' Educational Association.

The Committee also desire to incorporate into their Report the following two documents:

Report of the Southern Illinois Female College Visiting Committee, to the Members of the Southern Illinois Conference:

DEAR FATHERS AND BRETHERN.—The Committee appointed to visit the College at Salem, the past year, deem it their duty to lay before you a brief statement of the condition in which we found that Institution.

It is known to the Conference that the School opened a year ago under embarrassments of the most disheartening character. Some of us, indeed, apprehended that the Southern Illinois Female College had about ended its career. Instead however of finding it in the throes of death this summer, we found it saying practically and emphatically as Wickliffe said to the priests who came to see him breathe his last, "I shall not die, but live."

The facts that came before us showed that there was a steady and encouraging increase of the School during the whole college year. At the time of the meeting of the Joint Board, the

friends of the institution rallied and made an effort to raise funds to relieve the college of its debts. The result is that only some nine hundred dollars are necessary to free the college from its present distress.

Your Committee is as much as ever persuaded that we need a college for our daughters in the Southern Illinois Conference, and we also think Salem is as suitable a location for the Institution as we have in the Conference. President Moore's success shows that he is the right man in the right place, and although it may seem a work of supererogation, yet we heartily recommend his re-appointment to that post.

Respectfully submitted,

C. J. HOUTS,
T. A. EATON,
R. H. MASSEY.

CENTRALIA, ILL., September 21, 1866.

Report of the Executive Committee of Southern Illinois Female College, to the Members of the Southern Illinois Conference, to be held at Centralia, September 19, 1866:

DEAR FATHERS AND BRETHERN.—We the Executive Committee of the Southern Illinois Female College would most respectfully present to your consideration the following statement. The judgments against the College will amount to \$2,100, on November 1st, 1866; the date at which the time of redemption expires. To meet this the Executive Committee have received from members of the Joint Board—

Pledges to the amount of.....	\$ 900 00
Pledges from other parties.....	255 00
In Notes.....	225 00
Ladies' Fund.....	112 00

Total.....\$1,492 00

All this has been pledged on condition that the whole amount is raised.

Wright Fund and notes available.....	\$ 300 00
Town lot in Sandoval valued at.....	100 00
Centenary Offering from Fairfield, Ct., in the hands of Rev. Richard Massey.....	65 00

RECAPITULATION.

Pledges.....	\$1,380 00
Ladies' Fund.....	112 00
Wright Fund and available notes.....	300 00
Lot in Sandoval.....	100 00
Cash Centenary Offering.....	65 00

Total.....\$1,957 00

One of the claimants has consented to throw off \$50; this will leave a balance of \$900 unprovided for. The Committee think that they can if necessary raise one hundred more in the vicinity of Salem. But this is all that can be done without aid from the Conference. The people of Salem and vicinity now manifest more interest in the success of the Institution than they have at any time for several years previous, but the interests of the Church imperatively demand the erection of a more commodious house of worship.

They were compelled to do this or lose caste as a church. With this pressure upon them they can do nothing more.

The Committee believe that if this Conference will appoint an agent, this small deficiency can be readily raised, and the Institution saved to the Church.

We leave this matter with you, praying that the Great Head of the Church will guide you to conclusions which will promote the cause of Christian Education, and thus aid in spreading scriptural holiness over these lands.

For information concerning the government of the Institution, the progress of the pupils, the fitness and qualification of the President and teachers for their respective positions, you are respectfully referred to the report of the Visiting Committee, appointed by you at your last session.

The Committee would respectfully ask the re-appointment of Rev. J. S. Moore, A. M., to the Presidency.

C. J. HOUTS, } *Ex. Committee.*
DANIEL HAIN. }

Garrett Biblical Institute.

1st, *Resolved*, That we as a Conference, re-affirm an opinion expressed in a former resolution regarding this Institution as a very essential branch of our educational system, and as such commend it to the consideration of the Church. We recommend all young men called to the work of the ministry in our Church, to avail themselves if possible of the advantages of education and training in Garrett Biblical Institute.

2nd, *Resolved*, That we continue a patronizing Conference to this Institution.

3rd, *Resolved*, That we request the appointment of the following brethren as Visitors: Rev. Hiram Sears, A. M., Rev. J. S. Moore, A. M., with R. Allyn, D.D., and Rev. S. E. Willing, as alternates.

St. Louis University.

1st, *Resolved*, That we approve the action of the Missouri and Arkansas Conference in establishing a University proper in St. Louis. As such we commend it to the friends of Education throughout the West.

2nd, *Resolved*, That this Conference recognize Rev. R. Allyn, D. D., as a corporator of said University.

NO. IV.—ON TEMPERANCE.

The Committee on Temperance would call attention to the fact that intemperance is working a fearful evil in our country. We have good reason to believe that its baneful influence is felt, and its corrupting tendency is plainly seen in almost all grades of citizens, from the halls of Congress down to the lowest grades of society, and even some who have stood high in the Christian Church have fallen as victims of that deadly serpent. It breaks more hearts, beggars more families and sends more souls to perdition, than any other vice or crime in the known world.

It fills with rage and fury every wicked scheme, that wicked men and satan may invent, to destroy the happiness and best interests of mankind. The law which legalizes traffic in intoxicating drink as a beverage, is supporting and upholding a scheme of nothing better than wholesale ruin in a concealed manner. Your Committee would recommend the adoption of the following resolutions:

1st, *Resolved*, That we will preach and admonish as opportunity may afford, of the dangers and evils of intemperance.

2nd, *Resolved*, That we will give our cordial support to such plans or measures as may be best calculated to suppress intemperance.

Your committee would further suggest that the use of tobacco, is a practice that should be discouraged, especially among our young ministers,

J. H. HOLLOWAY,

NO. V.—ON PERIODICALS.

Your Committee on Periodicals, submit respectfully the following report:

The periodical press in our day is a *power* in this country.

There is an increased and increasing interest among the masses in this department of literature. Hence the importance

at this time especially, of furnishing to all our people through the medium of the periodical press, a pure, chaste, elevated literature.

The exigencies of the times demand a vigorous effort for the promulgation of truth, and the defence of right principles. This can be most successfully accomplished by a free circulation of our periodicals.

We submit the following resolutions:

1st, *Resolved*, That we approve the editorial management of of all our Church papers.

2nd, *Resolved*, That as a Conference, it is our true policy to labor especially to extend among our people the circulation of the "Central Christian Advocate" and "Ladies Repository."

3rd, *Resolved*, That we will present the claims of our periodicals to our congregations, early in the conference year, and labor to secure a large increase in our subscription lists, this year.

4th, *Resolved*, That we submit cheerfully to the financial necessity of the Publishing Committee of the "Central" for the admission of advertisements into its columns, but beg leave to suggest, that no advertisement should be admitted, other than of articles known to be genuine and useful.

J. A. ROBINSON, *Chairman*.

NO. VI.—ON CHURCH EXTENSION.

Your Committee to whom was committed the interests of the Church Extension Society, re-affirm our approval of its organization, and that it is the right agency in the right place, and beg leave to offer the following resolutions:

1st, *Resolved* that it is the *imperative* duty of each preacher in charge to take the collection for the Church Extension Society.

2nd, *Resolved*, That the officers of the Conference Society are: Rev. F. O. Blair, J. B. Corrington, J. S. Moore, T. F. Houts, J. H. Hill, B. R. Pierce, J. W. Lane; and B. Hypes S. H. Shepherd, L. Brown, B. G. West, C. Blakeman, M. Phelps, S. T. Lowe, form the Committee of Managers, and that J. H. Shepherd be the Treasurer.

3rd, *Resolved*, That all appropriations for aid in this Conference be made through the board of managers.

4th, *Resolved*, That nine of this board present at any time, constitute a quorum.

J. W. PHILLIPS, *Chairman*.

NO. VII.—ON BIBLE CAUSE.

To the Members of the Southern Illinois Annual Conference :

Your Committee on the Bible Cause, beg leave to report, that from a brief examination of the exhibits of the American Bible Society, they are convinced that with great energy and encouraging success, that institution is prosecuting the enterprise of circulating the Sacred Scriptures. Notwithstanding its operations for this, the jubilee year of its existence, exhibit a marked advance upon those of any former year, still the institution with commendable zeal and liberality is contemplating a more thorough supply of the destitute throughout all parts of the country, than has ever heretofore been accomplished. In the South, where among the Freedmen, there is great destitution as well as an ardent and increasing desire for the Sacred Word, great efforts are being put forth to make the supply commensurate with the demand. In our own State, through the efforts of local agents, the Society is aiming to place the Bible in every family. Much of this work is being effected by unpaid agents, who have been appointed to canvass school districts and neighborhoods. Still, facts have come to the knowledge of your committee, showing the existence of great destitution, even in old settled and wealthy portions of our State.

In the city of Belleville, an actual canvass has shown, that a majority of thirteen over one-half of the families were without a Bible. In East St. Louis, three-fourths of the families were unsupplied. Other facts might be brought forward were it necessary, to convince the members of this body of the necessity of strong and persistent effort for the more thorough circulation of the Sacred Word among the destitute of our community.

Your committee would recommend the adoption of the following resolutions, viz:

1st. *Resolved*, That we regard the universal circulation of the Sacred Word among our people as the best guarantee that we can have for the morality, piety and consequent peace of society.

2d. *Resolved*, That the American Bible Society presents the best agencies for the accomplishment of that object, with which we are acquainted.

3d. *Resolved*, That we will cheerfully and earnestly co-operate with the agents of the Society for the furtherance of their work; that in each of our congregations, we will preach at least once a year upon the subject, and that we will encourage our people to support the cause by becoming Life Members of the Society, and otherwise contributing to its funds.

NO. VIII.—ON CENTENARY.

The Centenary Committee beg leave to report by the following resolutions, viz:

1st. *Resolved*, That we approve the recommendation of the Committee of Arrangements for the Centenary Celebration made at Centralia, November 1st, 1865, to record the names of all our church members in a suitable Centenary Record Book.

2d. *Resolved*, That we urge the preachers from whose charges the lists of member have not been sent for record, to send them forward at once.

3d. *Resolved*, That the following brethren be appointed a committee to audit the accounts of the Centenary Agent, and to estimate what compensation he ought to be allowed for his services, viz: E. Joy, V. D. Lingenfelter and J. Leeper.

4th. *Resolved*, That the portion of the Centenary offerings of the members of the church appropriated to M'Kendree College, be set apart for the endowment of the "President's Centenary Professorship of Mental, Moral and Social Science."

5th. *Resolved*, That the Centenary contributions of the preachers, when not otherwise directed, be appropriated to the establishment of a fund to be held by the commissioners of the Endowment Fund of M'Kendree College, under regulations to be hereafter adopted, for the education of the children of the members of this Conference.

Respectfully submitted,

ROBERT ALLYN, *Sec'y.*

W. W. MITCHELL, *Chairman.*

They find that the agent's expenses have been for traveling, printing, books, circulars, postage, stationery, &c., \$415 44.

That he had collected and received for all the different Centenary objects: M'Kendree College, Southern Illinois Female College, Heck Hall, Garrett Biblical Institute, Chartered Fund, our own Conference Fund, the General Education Fund and Children's Fund:

Before. Conference.....	\$ 827 74
Received at Conference.....	3,428 65

Total.....	\$4,256 39

They find the accounts correct and recommend that he be allowed his expenses above, and \$500 as salary.

NO. 1X.—ON FREEDMEN'S AID SOCIETY.

To the Members of the Southern Illinois Annual Conference :

Your Committee upon the Freedman's Aid Society ask leave to report, that after having carefully considered the subject of the formation of a denominational society, upon the part of our Church, they are satisfied that the movement was opportune and even necessary. By the operations of Divine Providence four millions of human beings have been suddenly elevated from bondage to freedom; from the condition of chattels to that of citizens, possessing the rights and immunities of citizenship. The condition of these freedmen appeals most forcibly to the liberality of the christian masses of the country to aid them in so rising in the scale of intellectual, moral and religious culture, that their emancipation may be a blessing to themselves and to our entire population. They must have aid. As christians and philanthropists, we are under obligations to give our attention to this work. These people will be a power in the land. Passing events clearly indicate that they will soon obtain political, as they have obtained civil rights. It would be worse than a blunder, it would be a crime, to fold our arms and close our eyes over this matter, thereby tacitly assuming that four millions of people, off-cast and degraded, can with safety to the country, be permitted to remain as a rankling sore in American society, or that the church will not suffer incalculable spiritual loss by with-holding from them the best appliances of the gospel. The necessity of a separate movement upon the part of our Church for the attainment of the object in question, is apparent, in consideration of two facts, viz: *First*, (as stated in the circular put forth by the original movers in our separate organization,) that notwithstanding a large proportion of the funds contributed to the undenominational Freedmen's Aid Societies of the country has been given by our church members, those societies do not devote any portion of their money to the support of our denominational mission schools in the South. *Secondly*, there are hundreds in the country who will contribute liberally for the direct support of freedmen's schools, but who would not do so indirectly through the Missionary and Church Extension Societies; even were those societies to incorporate with their operations, plans for the development and prosecution of educational enterprises among the freedmen. In consideration of these facts, your Committee recommend the adoption of the following resolutions, viz:

1st, *Resolved*, That the members of this Conference organize themselves into a society, auxiliary to the Freedmen's Aid Society of the M. E. Church; that they adopt the form of constitution recommended by the parent society, and proceed at once to the election of such officers as are demanded by the aforesaid form of constitution.

2nd, *Resolved*, That we now take up a collection in behalf of the object in question.

3rd, *Resolved*, That we respectfully recommend this great enterprise to the favorable consideration of those annual conferences that have not yet taken action upon it.

4th, *Resolved*, That we recommend the taking up of collections for the benefit of the Freedman's Aid Society in our respective charges, during the coming conference year.

NO. X.—VISITING COMMITTEE TO M'KENDREE COLLEGE.

(See page 28.)

NO. XI.—MEMOIRS.

Rev. JOHN HOLT.

Rev. John Holt was admitted on trial in the fall of 1853, and served the Church faithfully as an itinerant preacher, thirteen years. His last appointment was to the Hebron Circuit, Olney District. He entered at once with his wonted zeal and efficiency, upon the work.

On the 10th day of Feb., 1866, he fell sick, suffered intensely for ten days, then died in great peace. We lament his early fall, but we bless God that his ministers not only show the people how to live, but also how to die.

J. B. CORRINGTON.
A. B. MORRISON.

Rev. WILLIAM CLIFFE

Came from England, in the year 1840. Joined the Methodist E. Church soon after his arrival. He was, in England, a local preacher in the Primitive Methodist Church.

He was admitted into the Illinois Conference in 1843, served the church as an efficient minister for twenty-three years, eight of which was as presiding elder. His two last years were in the Jerseyville Station. Those who knew him best loved him most.

A good minister, a kind father, a loving husband and a christian gentleman.

His death occurred on the 17th of September, 1866, at Olney, Illinois, and though he died suddenly, yet he died as the good man dies, full of faith and the Holy Ghost.

RESOLUTIONS.

NO. I.—CENTENARY CONTRIBUTIONS AND DISTRIBUTION.

1st. *Resolved*, That the same committee appointed last year as a Centenary Committee, to distribute the money collected, be continued, and that the present Centenary Agent be continued in office till the collections shall have been finished, and that all money hereafter collected be forwarded to him to be held subject to the direction of this committee. And we urge the several presiding elders to fill up at once the District Centenary Committees as directed by the Central Committee, and call them together, and arrange for memorial services in every charge, during the month of October, and to take collections faithfully, and if possible, from each of our members.

2d. *Resolved*, That this Conference approve the action of the Centenary Committee at the meeting of June 15, at Lebanon, Illinois, and hereby recommend that the said committee make such rules and regulations, that the churches acting in harmony with this action can receive for Church Extension as much as to within one-tenth of the entire contribution.

NO. III.—ON RESIDENCE OF BISHOPS.

Resolved, By the members of the Southern Illinois Annual Conference, that in view of the great field opened for christian teaching and labors in the Southwest, and along the Mississippi river, and the demand in that immense country for ministerial work, and general superintendence of that work, we deem it of the highest consequence to every interest of our church that one of our Bishops should reside in the immediate vicinity of St. Louis, the great center of the nation, and the gateway to the gold and the cotton producing regions of the world.

Resolved, That we cordially and earnestly invite the Rev. Bishop Thomson, whose visit to our Conference has afforded us so much pleasure, and who has presided over our sessions with so much dignity and efficiency, to fix (if not inconsistent with previously arranged plans) his residence within the vicinity of St. Louis.

1st. That we urge upon our brethren the duty of complying with the requirements of the Discipline: Sec. 5, sec. 1, quest. 3, pp. 224, 225.

2d. That we recommend the formation of a Conference Educational Society, by this Conference, auxiliary to the Educational Society of the M. E. Church.

GARRETT BIBLICAL INSTITUTE.

With pleasure we have heard of the continued success of the Garrett Biblical Institute, and especially of the dedication of the memorial building,—Heck Hall.

We submit the following resolutions :

Resolved, That we will continue our patronage of the Institute, and that we will recommend our young men who are called of God to the ministry of reconciliation, to attend its sessions.

2d. That we recommend the appointment of J. B. Corrington, D. D., and J. W. Phillips, as visitors to the Institute.

McKENDREE COLLEGE.

1st. We recommend that the report of the Visitors, and that of the Trustees of McKendree College, be read in Conference. They are as follows, viz :

To the Bishop and Members of the Southern Illinois Conference :

FATHERS AND BRETHERN :—In behalf of the Visiting Committee of the Conference to McKendree College, we respectfully report :

That the College is in a prosperous and hopeful condition, both in the number of its students and the efficiency of its operations.

The examinations of the classes were quite satisfactory, reflecting credit both upon the faculty and students. The exhibitions of the societies and orations of the graduating class, gave evidence of thorough mental training, and were largely imbued with sentiments of piety. We think those who witnessed the commencement exercises of the College returned to their homes under the impression that the institution is doing a noble work for God and for the country.

The Sinking Fund Commissioners had collected during the year \$1,402 60, and paid on the debts of the College, \$1,443 05. The balance in favor of the Commissioners, is \$40 85.

The financial condition of the College will appear from the following exhibit :

Receipts of the Fiscal Agent.....	\$5,225 00
Expenses of the College for the year.....	7,100 00
Deficit	\$1, 875 00

This amount is due the faculty.

The endowment fund of the College is.....	\$21,150 05
PROPERTY OF THE COLLEGE.	
College building	\$11,000 00
Chapel	13,000 00
Park and grounds.....	2,500 00
Bell and clock.....	1,200 00
Dormitories	2,500 00
Library and furniture.....	4,000 00
Centenary fund.....	3,500 00
Other property.....	4,000 00
Total	\$62,854 05

The total indebtedness of the College at the time of the meeting of the joint Board was \$14,150 00. This amount is somewhat less than the indebtedness of the preceding year, while the assets are in excess of last year, \$9,000 00.

Respectfully submitted,

J. A. ROBINSON, *Committee.*

TRUSTEES OF McKENDREE COLLEGE.

Dear Fathers and Brethren :—The Trustees of McKendree College beg leave to report to your honorable body that the year 1866-7, has been, upon the whole, a very prosperous year for the College. A gracious revival prevailed during the winter and spring, and many of the students were powerfully converted, and some of these are already entering upon a course of preparation for the work of the ministry. The Professors have performed their work faithfully and energetically. They work hard for small salaries, and are deserving of confidence and encouragement. The President is necessarily too much occupied with the finances. The Trustees are impressed with the idea that an agent is needed to relieve him from some of the vexatious duties pertaining to the collection of money, to pay debts and interest. By vote, the Executive Committee ask the Conference to appoint an agent for this purpose.

The property of the College is as follows :

Value of buildings.....	\$27,000 00
Value of park and library.....	13,000 00
Value of other property.....	2,400 00
Endowment fund.....	21,000 00
Centenary fund (estimated).....	4,500 00
Total.....	\$67,900 00

The expenses and income have been nearly as follows :

Expenses, salaries, repairs, etc.....	\$7,200 00
Income (estimated).....	5,400 00
Deficiency.....	\$1,800 00

As the Professors work upon the plan of the traveling preachers, the College is not embarrassed by this deficiency, which is wholly due the Professors.

The College is the child of the Conference, and is completely under its control. Its charter provides for the election of thirty-six Trustees, and for the election of the same number of Visitors, to be chosen in any way the Conference may select, by the Conference, and these Visitors are ex-officio members of the Board of Trustees, having, by virtue of their office under the charter, all the powers of Trustees, and as all the charter Trustees must be elected by the joint Board of Trustees and Visitors, and as these Visitors, to their praise let it be said, are generally present, this arrangement gives to the Conference as perfect a control as could well be desired over the College.

The Executive Committee passed the following resolution :

That this Executive Committee, in accordance with the advice of many members of the joint Board of Trustees and Visitors, respectfully beg leave to ask the Conference to request the Bishop presiding to appoint an agent to collect money for the payment of the debts of the College and the increase of the endowment fund.

J. L. SARGENT, *Sec'y.*

ROBERT ALLYN, *Ch'n Ex. Com.*

The Trustees desire to call attention especially to the above resolution, and feel assured from your past course, that you will regard favorably our desire.

Thanking you for your very warm interest in the College, and feeling that you will remember the College, and its Professors and students, in your approaches to the throne of grace, the Trustees remain,

Your obedient servants,

By the Chairman of the Executive Committee,

ROBERT ALLYN.

CONFERENCE EDUCATIONAL SOCIETY.

We recommend the formation of a Conference Educational Society, auxiliary to the Educational Society of the Methodist Episcopal Church, by this Conference.

We recommend the following as officers of this Society : (See page 25.)

SOUTHERN ILLINOIS COLLEGE.

The institution for a number of years in existence at Salem, Illinois, by the name of "The Southern Illinois Female College," has lately undergone a metamorphosis, or legal transition. A new charter has been procured by the name of "The Southern Illinois College," and the entire property, real and personal, has been transferred by sale and purchase. The interest of the

Conference has been secured by a provision in the charter, that one-half of the Board of Trustees shall be members of said Southern Illinois Conference. The financial interest of the institution is guarded by a provision exempting all the property of the College from liability for debts contracted by it, thus effectually preventing the contracting of debts; all of which will more fully appear by reference to the charter, a copy of which is herewith presented.

Your Committee offer the following resolutions:

That we hereby approve and ratify the action above referred to, and adopt the said institution under the new charter, as fully and to all intents and purposes as the former name and under the former charter, as an institution for the education of females exclusively.

2. That in view of the virtual identity of said College now and formerly, we hereby authorize the transfer or payment of all centenary contributions made to "The Southern Illinois College," over to the Treasurer of the endowment fund of said Southern Illinois College.

3. That we ask the Bishop to appoint Rev. J. S. Moore, as President of this institution for the ensuing year.

All of which is respectfully submitted,

ROBERT ALLYN, *President.*

T. H. HERDMAN, *Secretary.*

BIBLE CAUSE.

Your Committee, to whom was referred the Bible Cause, have had the subject under consideration, and believe that the Bible is the book of books,—God's will revealed to man, that we may obtain a true knowledge of Him; it is His free gift to us, and it is the duty of the church to engage heartily in disseminating its truths, by sending it to the ends of the earth. The American Bible Society, so well arranged in its departments, we acknowledge a powerful agency in carrying forward the great work of evangelizing the world, a work in which all can engage, by sending Bibles to the people and living according to God's word. Let us, then, aid the American Bible Society in this good work, for it is worthy of our confidence. We rejoice in its prosperity, as shown by the last annual report of the Society, from which we learn that last year from this State alone, was received \$82,318; of this sum, \$14,111 was given by persons within the bounds of this Conference. We therefore present the following for adoption:

Resolved, 1. That if the agent fails to visit our charges, we will preach on the Bible cause, and take contributions for it.

2. That the agents give (when convenient) to the pastors of

charges, timely notice of the time of his appointments in said pastor's charge.

3. That the agents report to each pastor the amounts given by his congregation.

4. That we will give to, labor and pray for this department of our Redeemer's cause, trusting in Him for success and complete happiness in Heaven, when our work on earth is ended.

A. B. NESBIT, } Committee.
A. RANSOM, }

TEMPERANCE.

The Committee on Temperance would call attention to the fact that intemperance is working a fearful evil in our country. The friends of the rum traffic are fortifying themselves by organization, to strengthen their plans of evil; to control political parties, to secure legal protection, while they are engaged in a wholesale work of human destruction, of body and soul, for time and eternity. We thank God that good men are awake to these facts, and are uniting their efforts and energies to meet these evils, by organizations to aid in putting sober, temperance men in civil power. This we deem highly important.

We have good reason to believe that the baneful influence of intemperance is felt, and its corrupting tendency is plainly seen in almost all grades of citizens, from the halls of Congress down to the lowest grades of human society; and even some that have stood high in the christian church, have fallen as victims of that deadly serpent. It breaks more hearts, beggars more families, and sends more souls to perdition, than any other evil in the known world.

It fills with rage and fury every wicked scheme that wicked men and Satan can invent, to destroy the happiness and all the best interests of mankind. The law which legalizes traffic in intoxicating drink, as a beverage, is supporting and upholding a scheme of nothing better than wholesale ruin of human souls and bodies.

Your committee recommend the adoption of the following resolutions:

Resolved, 1st, That we will preach and admonish, as opportunity may offer, of the dangers and evils of intemperance.

2d, That we will give our cordial support to such plans and measures as may be best calculated to suppress intemperance.

3d, That at the ballot box we will give our decided preference for temperance men for office.

Your committee would further suggest, that the use of tobacco is not becoming men, professing christian purity, and should be discouraged, especially among our young ministers.

SUNDAY SCHOOLS.

The Committee on Sunday Schools would respectfully report, that in the Sabbath School we recognize a powerful instrumentality for the moral and religious culture of the young and rising generation of our country.

Believing as we do, that the Sunday School is the nursery of the church, and as such, the hope of the world, we should exert our utmost influence as ministers of the gospel of Christ, to gather the children of our land into the Sabbath School, and train them for holiness and heaven.

We would therefore offer for adoption the following resolutions:

Resolved, 1st, That the true aim and object of the Sunday School is to secure the early conversion of the children, and train and drill them for usefulness in the church.

Resolved, 2d, That a well conducted Sunday School is an advantage, morally, socially, and temporally, to any community.

Resolved, 3d, That we will use our influence to organize Sunday Schools at every appointment on our fields of labor, where there are none, supplying them with our papers and books, and also endeavor to make those already organized more efficient.

Resolved, 4th, That we hail with joy the great awakening of the church that is now being realized upon the subject of Sunday Schools; but are admonished by the forty thousand children outside of the Sunday Schools, in our own fair State, that our work is not done.

Resolved, 5th, That the members of the Southern Illinois Conference take immediate steps for the organization of a Conference Sunday School Convention, for and in behalf of the M. E. Church.

J. H. LOCKWOOD, *Chairman,*
in behalf of Committee.

CHURCH EXTENSION.

WHEREAS, The demands made upon us for means to carry forward the work of church extension within the bounds of our Conference are largely in excess of our receipts; and whereas, a large proportion of the work we are called upon to do, may be accomplished by temporary loans; and whereas, the fields are white to the harvest, and the present is our golden opportunity: therefore,

Resolved, 1st, That we most earnestly invite contributions from all our people, seventy-five per cent of which shall constitute a loan fund, to be controlled by a board of managers, under the following restrictions: First, no part of said fund shall ever be donated for any purpose, or used for any current expenses, but shall be preserved, without diminution, a perpetual fund,

Second, said fund may be loaned to any church or society, with or without interest, in sums in no case exceeding twenty per cent. of cost, as occasion may require, and the board from time to time determine, in aid of the objects of the Conference Church Extension Society, which sums shall be a first mortgage on the church property.

Resolved, 2d, That sums of one hundred dollars and upwards, contributed by any one person or church, may be named by the contributor, and shall constitute a separate loan fund, and the Secretary shall report annually the investment thereof, and the work accomplished thereby.

J. W. PHILLIPS, *Chairman.*

CENTENARY.

The Centenary Committee would respectfully report, that as our centenary year is now past, we are prepared calmly to review its results. The increase in our membership during the year was equal to that of any other year in our history, except one or two years before the M. E. Church South left us; and perhaps no other year has been more remarkable for Church extension, and the interest taken in local objects. But there is a manifest want of zeal in connectional objects; and, we are sorry to say, in our own Conference, in the cause of education, as the following items, furnished by Dr. Allyn and President J. S. Moore, will clearly prove:

For Connectional Educational Fund.....	\$ 99 25
For Garrett Biblical Institute.....	1,195 00
For Centenary Mission Buildings.....	10 00
Irish Connectional Fund.....	40 00
Chartered Fund.....	139 35
S. S. Children's Fund.....	565 40
Unspecified Centenary Con. Fund.....	3,347 63
LOCAL OBJECTS:—Church Extension.....	139,668 00
Salem Female College.....	2,482 50
McKendree College.....	4,408 45
Total.....	\$151,955 58

In conclusion, we would present to the Conference the following resolutions for adoption:

Resolved, 1st, That we are truly thankful to our Heavenly Father for the wonderful blessings bestowed upon us during the first century of American Methodism, and that we will earnestly labor for and pray that our second century may be still more astonishing in its results.

2d, That we tender to Dr. Allyn our hearty thanks for his earnest labors in the Centenary Agency.

TRACT CAUSE.

Your Committee on the Tract Cause would respectfully report, that the present exhibit of the Tract Society shows an ability to supply all necessary demand for tracts, and that none are turned empty away.

The plan for tract circulation now, is such that any pastor can, by pledging a collection, obtain all the tracts needed for his work, by making application. And every domestic mission can obtain five dollars' worth of tracts without such pledge.

Seeing therefore, such facilities for tract distribution, your Committee would offer the following resolutions :

Resolved, 1st, That we deem it the duty of every preacher of this Conference to avail himself of the opportunities afforded by the Tract Society, and employ this valuable auxiliary in his pastoral work.

2d, That we repeat the resolution of the Tract Committee of the last year, viz : That we will faithfully present its claims to our respective congregations, and earnestly solicit contributions in its behalf.

Respectfully submitted,

OTHNIEL BRUNER,
W. J. GRANT,
OWEN H. CLARK,

} Committee.

ON PERIODICALS.

Your Committee on Periodicals beg leave to submit the following report :

We regard the press as one of the greatest powers for good or evil that exists in our world.

Resolved, 1st, With regard to the press of our church, we rejoice in the fact that it is accomplishing great good.

Resolved, 2d, That our editors should employ as correspondents for our periodicals, the very best writing talents in our church.

Resolved, 3d, That all our preachers should be diligent in circulating our periodicals, by recommending them to the people, and urging them to subscribe.

W. H. CORRINGTON, *Chairman.*

MEMOIR.

REV. TROVIS O. SPENCER.

With reference to the early life and training of our lamented Spencer, the Committee have failed to gain any information.

He was admitted on trial in the Southern Illinois Conference, at Lebanon, in the fall of 1857; ordained Deacon by Bishop E. R. Ames, in 1859; Elder by Bishop E. S. Jones, 1861; filled successfully and regularly, the following charges: Golconda, 1857; Equality, 1858-9; Benton, 1860; U. S. army, 1861-2; Walnut Hill, 1863-4; Lebanon, 1865; DuQuoin, 1866.

From this charge his Master called him hence; and on the 26th day of December, 1866, his deathless spirit passed the rolling river, about which he used to sing so sweetly. In his association with his brethren of the Conference, his deportment was that of a Christian gentleman; he was manly and fraternally kind, which

endeared him to his fellow-laborers in Christ. Brother Spencer was one of our sweet singers in Israel; a good preacher, a faithful pastor, a kind father, and an affectionate husband. He "died at his post," in sight of heaven, with the armor of God and the itineracy closely buckled on to the very last; "he ceased at once to work and live."

He leaves a wife and four children in the hands of God and the Conference. Heaven's blessing rest upon them, and peace to the memory of our beloved brother Spencer! The following message was sent to the brethren of the Conference:

"My foundation is strong; I stand upon a rock."

Respectfully submitted,

JOHN LEEPER,
JOSEPH EARP,
J. H. HILL.

MINISTERIAL EDUCATION SOCIETY.**REPORT OF CORRESPONDING SECRETARY.**

THE Corresponding Secretary of the Ministerial Society esteems it a privilege to make report of the plans and doings of the Society. It is entirely in its infancy, having been inaugurated only one year. But its success has been as satisfactory as could have been expected under the circumstances. Many of the preachers have taken collections in aid of its funds, and have, as the Discipline requires, preached the annual education sermon. The amounts collected are \$72.65.

When we remember how greatly large knowledge and much discipline, joined with native good sense and practical energy, aid in any calling, especially in those which seek to move the minds and hearts of men, we can not wonder that the public and the Church should earnestly insist that the men who are to lead the thinking and acting of the world shall be well educated. A man can not enter the professions of law, or medicine, or teaching, without rigid examination of his qualifications as to knowledge and discipline. We do also examine our candidates for the holy ministry. But are we careful enough as to their attainments? Piety is a great thing—the one indispensable qualification in a preacher. But other things aid it. And ought we not to insist that these aids shall be joined to it? Real learning never damages piety, but lack of it does materially circumscribe the influence of piety.

And when it is remembered that the piety and the talent of the world, both for the use of the secular professions and for the work of the Church, are largely found in the ranks of the poor, it becomes at once apparent that if the Church will enjoy the privileges of sanctified learning and talent in her ministry, she must assist her young men who are called of God to preach the Word. She has the wealth, these youths have only talents and poverty. A few dollars from each of our Churches would amount to a sum sufficient to aid many to prepare for double and even quadruple usefulness. The sum raised this year is \$72.65—small indeed, but large enough to enable one young man to supplement his earnings and acquire a whole year's discipline and training. If every charge in the Conference would take a proportionate collection, we might every year educate ten young men for our ministry. And would not this add to our power more than tongue can tell? Shall we not be in earnest and obey the Discipline in this important matter?

Your servant,

R. ALLYN, *Corresponding Secretary.*

REPORTS OF COMMITTEES.

[A]

REPORT OF SUNDAY-SCHOOL COMMITTEE.

YOUR Committee beg leave to report that,

Whereas, The Sunday-school has, in the hand of God, become a powerful instrument in the conversion of the people, through which, in our own Church alone, there have been in the year 1868 10,438 souls converted and made happy in the love of Christ; and, *whereas*, the State and county Sunday-school conventions are working in the interest of no denomination, but for the good of all, and are being the means through which God's work is being powerfully revived in all denominations that co-operate with them; and, *whereas*, district conventions have, in the past, been very efficient in carrying forward the great Sunday-school work in our own Church, and been owned and blessed of God; therefore,

Resolved, That we still have faith in God, faith in the Church, and faith in the children that the work will go on, and souls will be gathered into the path of life, for which we will continue to pray, preach, and labor.

Resolved, That we indorse the working of the State and county Sunday-school conventions, and that we will heartily co-operate with them in planting a school in every school district, and in bringing every child not only to the Sabbath-school, but to the Lord Jesus Christ.

Resolved, That it is the duty of the Sunday-School Committee of each district to call a district Sunday-school convention, to meet some time during the Conference year, and to prepare a programme of business for said convention, and that each presiding elder should see that this resolution be carried into effect.

Resolved, That the Sunday-School Journal, which is to be enlarged the coming month, is what every Sunday-school officer and teacher in the bounds of our Conference needs, and that we will try to introduce it into all our schools.

Resolved, That we do not think it expedient to appoint a Conference Sunday-school agent at present.

Resolved, That we recommend the use of Rev. J. H. Vincent's "Lesson Leaves" in our Sunday-schools.

Resolved, That in view of the fact that there is no report of collections taken for the Sunday-School Union from about thirty-five charges in our Conference, we earnestly call attention to the Discipline, page 105, answer 20.

W. H. CORRINGTON, *Chairman*.

D. B. VAN WINKLE, *Secretary*.

REPORT ON TEMPERANCE.

Whereas, The manufacture, sale, and use of intoxicating liquors as a beverage is a crime against God and humanity, and the evil effects are felt morally, socially, and politically in every part of our country; believing that we may make still greater efforts to stay the tide of intemperance than we have in the past, your Committee, therefore, offer the following resolutions:

1. That each pastor in this Conference hold special temperance meetings during the week preceding Christmas, and during the year preach and lecture on the subject as often as prudence and necessity demand.

2. That we express our sympathies in favor of political action to secure legal prohibition.

3. That Rev. G. W. Hughey, with Rev. F. L. Thompson as alternate, be appointed to preach the annual temperance sermon on the evening previous to the first day of next annual session.

4. That we reaffirm our position on tobacco, and will not admit, either on trial or into full connection, any person who uses this noxious weed.

5. That those ministers who are in full connection, who use tobacco, be requested to reflect upon their influence upon the younger members, and at once abandon a practice which, at best, is of doubtful propriety.

A. RANSOM, *Chairman.*

JOHN VAN CLEVE, *Secretary.*

REPORT OF COMMITTEE ON PERIODICALS.

To the Bishop and members of the Southern Illinois Conference:

YOUR Committee on Periodicals respectfully report. Journalism is one of the grand effective agencies of this age. Our periodical press is an element of power in this country; its importance is perhaps not fully estimated. Wherever this department of our Church literature is freely circulated its invariable tendency is to promote every interest of the Church, financial, intellectual, fraternal, and spiritual. This, we are conscious, is not saying too much for our Church periodicals. It is gratifying to learn, from official reports, that all our Church papers are in a prosperous condition. They are not only meeting a great intellectual and moral demand of the age, but they are furnishing a revenue to meet financial demands upon the Church not otherwise provided for. Your Committee offer for adoption the following:

1. *Resolved*, That it is our true policy as a Conference, to patronize, and earnestly advise all our people to patronize, our General Conference papers, giving to them a decided preference over all other religious papers, whether in unison with us in doctrinal sentiment or otherwise.

2. *Resolved*, That we heartily approve both the editorial and business management of all our Church periodicals.

3. *Resolved*, That we indorse the purpose of our Agents at New York and Cincinnati to make a "*special effort*" for the more extended circulation of the "*Quarterly Review*."

4. *Resolved*, That as a patronizing Conference of the "*Central Christian Advocate*," it is our duty and interest to make special efforts to increase the circulation of our *own paper* in our respective pastoral charges.

Submitted.

J. A. ROBINSON, *Chair'n Committee*.

MEMOIR OF REV. WILLIAM W. MITCHELL.

REV. WILLIAM W. MITCHELL was born in Virginia, February 16, 1815, and died in Richview, Washington county, Illinois, March 7, 1869. He was the son of James Mitchell, Esq., of Belleville, who died at an advanced age a few days before his son. His grandfather, Rev. Edward Mitchell, was an early emigrant to Illinois from Virginia, and an excellent local preacher of our Church.

In early life the father of brother Mitchell designed him for the bar and educated him for that purpose; but while pursuing a classical course of studies in Yale College, he was happily converted. This changed the future course of his whole life. His father designed him for the bar, God designed him for the pulpit. When he returned home and told his father that he must preach the Gospel, he reluctantly consented, but said if he had known that William would have become a preacher he would not have given him a classical education.

He was admitted on trial into the Illinois Conference at its session in Mt. Carmel, 1834, and appointed to Lebanon circuit, as the colleague of John Van Cleve. He continued on Lebanon circuit about six months, and was then removed to Vandalia station, to fill out the unexpired year of Rev. Samuel H. Thompson, who failed for want of health. While in Vandalia in his pastoral visits he met with several persons who professed to enjoy, or were earnestly seeking, the blessing of perfect love. He became deeply interested in this blessing and never rested, until, in his own experience, he could say, "The blood of Jesus Christ, his Son, cleanseth us from all sin." This gave stability to his character and experience, and he was always pleasant in his intercourse with men and happy in the love of God. He filled many important appointments on circuits, stations, and districts, all in Illinois, except one year spent in Kentucky.

Brother Mitchell was a good, rather than a great preacher. He always preached to the heart. His last appointment was to Edwardsville station. During his second year in this station he became severely afflicted, so as to disqualify him for pulpit labors. He consequently resigned his charge and removed to Richview, where, after severe suffering for almost a year, he left the world in triumph, and was doubtless "carried by angels to Abraham's bosom."

Of him it may be truly said—

“Servant of Christ, well done,
Rest from thy loved employ;
The battle's fought, the victory won,
Enter thy Master's joy.”

JOHN VAN CLEVE, *Chairman.*

[E]

MEMOIR OF REV. JOHN THATCHER.

REV. JOHN THATCHER was born in the State of Connecticut, A. D. 1806, and reared mostly in the State of Pennsylvania. He served out his minority under his father as a hard-laboring farmer, with scarcely any advantages for acquiring an education. During this period of his life he used to take his books with him into the fields, and seize every spare moment to pore over their valuable contents. At the age of twenty-one he left the old homestead to shape his future course according to his early convictions of duty. We do not know the time, place, or circumstances of his conversion, but have reason to believe it was in early life, as he was licensed to preach while engaged in teaching, between the twenty-first and twenty-eighth year of his age. At the age of twenty-eight, there being a pressing demand for preachers in the then “far West,” he determined to leave Pennsylvania and enter the itinerancy in those distant parts. In 1835 he entered the itinerancy in the Missouri Conference, where he labored for ten years, the last of which as presiding elder on Lyon district. In 1845 the Missouri Conference elected to adhere to the “Church South,” and as brother Thatcher could not conscientiously adhere to that body he came to Illinois and united with the Illinois Conference. In the division he fell into the Southern Illinois Conference, in which he remained a faithful member until death.

Brother Thatcher was a fine self-made scholar. He was a very good Greek and Hebrew scholar, and was also well acquainted with German. His piety was deep and uniform, his zeal was always fervent, and he abounded in the work of the Lord. He was a sound and safe theologian. His sermons abounded with plain, strong sense, sometimes ornamental, and though generally delivered in a plain style, yet sometimes they were beautifully and thrillingly eloquent. His appearance and manner in the pulpit improved with age, and he increased in usefulness until the day of his death. His last appointment was on Mt. Erie circuit. He commenced his labors with his usual zeal and continued to work until about the 12th of March. Becoming, as he supposed, enfeebled by his labors, he supposed a few days rest would restore him; but he continued to sink until, on the 17th of March, he gently fell into the arms of Jesus.

Brother Thatcher was a living witness of the truth that “the blood of Jesus Christ, his Son, cleanseth us from all sin.” To this great truth he bore witness for twenty years, and he exemplified it in his calm, peaceful, and triumphant death.

REPORT OF COMMITTEE ON INTERESTS OF CONFERENCE IN SOUTHERN ILLINOIS COLLEGE.

WE, the Committee appointed to look after the interests of this Conference in the Southern Illinois College, report that we met the Executive Committee of the joint Board, and found that they were doing all for the interest of the College that could be done. We also learned that Rev. J. S. Moore, the former President, had in his possession six hundred and fourteen dollars (\$614) of the endowment fund, which we found we

could not secure, from the fact that he had gone from Salem and had disposed of all the funds in his possession, and has no means of paying.

And we further report that Rev. J. S. Moore claims that he has a right to hold said funds as security of his claims against the College, which claim we deny.

REPORT OF THE COMMITTEE ON EDUCATION.

To the members of the Southern Illinois Conference :

FATHERS AND BRETHREN,—Your Committee on Education would respectfully report that they have had the highly important subject of education under careful consideration, and are on every review of it more and more impressed with the magnitude of the interests it involves. When we remember the activities of the age, and especially the activities of skeptical science, rationalistical criticism, and ritualistic formalism, the necessity for a more thorough and vigorous Christian education becomes evident. Mind rules the world. Wherever mind concentrates, there power will accumulate. If in the Church this mind is gathered, the Church will be mighty. If this mind remains in the world, then the Church must languish in proportion. It is equally important, also, that this mind gathered for the Church shall be trained or disciplined and educated. Then it becomes available power. It should, therefore, be impressed on the conscience of the Church that she can not be too much in earnest to educate all her children, if she would make them princes in the whole earth ; and more particularly should she educate those among these children whom she would make leaders of her sacramental hosts, or watchmen on the battlements of her Zion. She must educate her ministers or fall behind in the march of progress. The forum demands that those who practice law at its bar shall have much special education. The medical profession, the teachers of public schools, all insist upon a large amount of education as a preparation for their special works. Why, then, shall not the ministry require a good degree of education to prepare them for their particular duties? We are persuaded that all means of education, from the public schools up to the professional schools or seminaries, should be carefully used by the Church. Every Protestant child should be as thoroughly instructed as possible, and in schools completely imbued with the spirit of freedom which alone is encouraged in our Protestant schools. Every candidate for the sacred ministry ought to be taught, as far as possible, in the colleges of our Church and in our theological schools.

We, therefore, commend to our people the interests of public schools, and beg them to take a deep interest in these, and labor earnestly that the Roman Church shall not succeed in those mighty efforts which she is making to break down these schools—our best barriers against barbarism and infidelity.

We commend to our people the interest of the Garrett Biblical Institute. We entreat that they will pray for it and remember to send young men to it, and to keep its plans before the public. We also commend to our Church the M'Kendree College. We rejoice that the joint Board of Trustees and Visitors at their late meeting in June, acting on our recommendation at our last session, have opened their halls to young women on the same terms as young men. We are glad to know that many young women are already availing themselves of these privileges. We trust our people will encourage this old and very useful College, and send to it crowds of young women and young men; that they will remember to pray for it earnestly and daily, and that they will remember to contribute annually and generously to its funds, and that they will remember also to make it one of their heirs in their wills. No other investment of benevolent donations can last so long and so repeat itself in multiplying powers for doing good as money given to such college.

We rejoice to learn that already some of our members have remembered this College, and are now daily living and planning how, under God's grace, they may increase the property they now possess to give to its endowment funds.

We offer for adoption the following resolutions, namely :

Resolved, That our public schools are deserving of our earnest attention, inasmuch as they are the teachers of the children of both rich and poor in republican morality and knowledge; that these must be defended, at all hazards, against both the insidious assaults of Jesuistic priestcraft and the open violence of infidel philosophy.

Resolved, That Protestants who educate their children in Romanistic seminaries are recreant to Christian duty.

Resolved, That the Garrett Biblical Institute is, in our opinion, a much needed instrumentality for educating our young ministry for more ready and efficient work, that we have entire confidence in its Faculty, and we recommend young men contemplating entering our Conferences to spend some months at least in its course of instruction.

Resolved, That we recommend the appointment of A. B. Morrison and S. H. Deneen as Visitors, and J. A. Scarritt and W. H. Scott as alternates.

Resolved, That M'Kendree College and its Faculty still have our confidence; that we will pray for the blessings of the Holy Spirit to rest upon it; that we will urge our young men and women to attend its sessions; that we will urge our people to contribute to its funds, and to remember it in their wills.

Resolved, That we heartily rejoice at the action of the joint Board in admitting young women to the College; we trust this measure will give it an increasing hold on the confidence of the public, and will be the means of adding to the number of its students and enlarging its revenues.

Resolved, That we recommend that the Bishop appoint R. Allyn as President, and F. O. Blair and O. V. Jones as professors in it.

Resolved, That we recommend the appointment of J. W. Phillips, H. Sears, J. Harris, and J. S. Morrison, as Visitors for five years, and that

T. H. Herdman be Visitor for one year in place of J. S. Moore, and J. Frazer be Visitor in place of S. E. Willing for two years.

Resolved, That the Ministerial Education Society is an agency needed for the aid of indigent young men in preparing for their great calling. We commend this Society to our people's prayers and benevolence, and pledge ourselves to take the collection for its fund.

We recommend that the Report of the Executive Committee of M'Kendree College be read and accepted as a part of this Report.

All of which is respectfully submitted by the Committee.

ROBERT ALLYN, *Chairman*.

Vandalia, September 18, 1869.

REPORT OF THE EXECUTIVE COMMITTEE

Of the Trustees of the M'Kendree College to the Southern Illinois Annual Conference, to be held at Vandalia, Ill., September 15, 1869.

DEAR FATHERS AND BRETHREN,—It affords us pleasure, as your servants in charge under the Trustees and Visitors of M'Kendree College, to transmit to you through our Chairman our annual Report of the condition of your College.

The last collegiate year, ending June 10, 1869, was one of more than usual prosperity, both in literary and religious points of view. Many young men were happily converted to Christ, and several gave themselves to the great work of preparing themselves for the holy ministry.

The Visitors appointed by your body to attend the last examination and session of the Board of Trustees will report their opinion of the condition of the College.

The financial condition of the College is still slowly improving. Its debt is now, with a subscription in land and pledges to meet it, about \$7,500; on this a discount must be made for sums which may not be paid and for interest which constantly accumulates.

The assets of the College are as follows, namely:

College Park.....	\$4,000	00
College Buildings.....	29,000	00
College Athletoon.....	4,000	00
Library and Apparatus.....	7,750	00
Endowment Fund.....	2,250	00
Centenary Fund.....	22,850	00
Lands.....	2,400	00
Total.....	\$72,250	00
Deduct debts.....	\$10,300	00
Owed by Athletoon.....	2,800	00
		13,100
		\$59,150

We are grateful to you for your past patronage and prayers, and beseech a continuance of your valuable favors.

We are also happy to state that, in accordance with the recommendation of your body at its last session, the joint Board of Trustees and

Visitors resolved to admit young women to the College on the same terms as young men, and the prospects are favorable for the entrance of a large class of these persons.

We are your very obedient servants, the Executive Committee, by their
Chairman,
M'Kendree College, Lebanon, September 1, 1869.

ROBERT ALLYN.

REPORT ON TRACT CAUSE.

REAFFIRMING our confidence in the Tract Society of the Methodist Episcopal Church, as an evangelizing agency, we would urge upon the ministers their moral obligation to carry out the Disciplinary plan, thereby making Tract distribution an important part of their pastoral work.

M. HOUSE, *Chairman.*

[J]

REPORT ON BIBLE CAUSE.

YOUR Committee, to whom was referred the Bible Cause, would report, that we recognize the Bible as the fountain of all religious truth—the great light that is to enlighten the nations who sit in darkness—the great repository of moral truth and power that is to raise this world from its wretchedness and sin, and bring it back to God. We regard it as the duty of the Church, through her ministry and membership, to send out this blessed book into all the world; and that we recognize the American Bible Society as an efficient agency in this glorious work.

We present the following resolution for adoption:

Resolved, That as Methodist preachers, we will co-operate with the Bible Agent in seeking out and supplying the destitute with the Scriptures; and, also, in his judicious efforts to raise funds for the Society.

W. VAN CLEVE, *Secretary.*

J. S. BARNES, *President.*

REPORT ON FREEDMEN'S AID SOCIETY.

YOUR Committee on Freedmen's Aid Society report for adoption the following resolutions:

1. *Resolved*, That we acknowledge with gratitude to Almighty God the wonderful providence that has wrought the liberation of all the bondmen of these States.

2. *Resolved*, That love to God, pity toward the poor and downtrodden, and love for our country, its honor and prosperity, require of all good men concentrated and unceasing efforts for the education and elevation of the freedmen.

3. *Resolved*, That having, as a Conference, stood among the foremost in "danger's dark day," and prayed, labored, and fought, for the liberation of the Freedmen, we will not forget them in the time of need.

4. *Resolved*, That we will take up collections in all our congregations, for the Freedmen's Aid Society of the Methodist Episcopal Church, and forward our collections to Dr. Hitchcock, Treasurer of the Society, at Cincinnati.

REPORT ON WESTERN SEAMEN'S FRIEND SOCIETY.

WHEREAS, the Western Seamen's Friend Society has greatly increased its facilities for carrying the Gospel to boatmen, to laborers at our harbors, and railroad depots; also to the neglected population in the vicinity of our harbors; and whereas, the great increase of commerce on our lakes and rivers requires more than three hundred thousand men, who are away from home at least three-fourths of the time, and subjected to peculiar temptations; and whereas, all the evangelical Churches have recognized the Western Seamen's Friend Society as the best and at present the *only* active organized method for supplying these perishing thousands with the Word of God; therefore,

1. *Resolved*, That we feel greatly interested in the success of the Western Seamen's Friend Society.

2. *Resolved*, That we earnestly commend said Society to the prayerful consideration of our Churches, and we will cordially welcome its agents to our congregations in their efforts to secure funds.

RESOLUTIONS.

1. Bishop's Address to Candidates for Admission.

Resolved, That the Conference heard with pleasure the admirable address of Bishop Thomson to the candidates for admission into full connection, and we hereby respectfully ask that he furnish a copy for publication in our Minutes.

2. Time of Collections.

Whereas, our Disciplinary collections fall far below what they ought, and believing this to be, to a great extent, for the want of a more systematic plan; therefore,

Resolved, That the preachers be earnestly requested to arrange for, and, as far as practicable, to adhere to the following times for taking these collections; namely:

1st—Freedmen's Aid, November.

2d—Missionary, January.

- 3d—Church Extension, March.
 4th—Education, April.
 5th—Sunday-School Union, June.
 6th—Tract Cause, August.
 7th—Superannuated preachers, every Love-Feast.
 8th—Bible Cause, when agent appoints.

3. Rev. Anthony Bewley's Surviving Blind Daughter.

Resolved, That this Conference has heard with satisfaction the verbal report of Rev. G. W. Robbins, Trustee of our Conference for the blind daughter of Rev. A. Bewley, deceased, and accept that report.

Resolved, That we do not deem it our duty to raise any further sums of money until the Trustee, in whose hands our former contribution was placed, makes report.

4. Furnishing Copies of Minutes to Families of Vandalia.

Resolved, That the Secretary of Conference be requested to place in the hands of the pastor at Vandalia a sufficient number of copies of the Journal and Minutes of this session as shall suffice for the donation of one copy to each family that has entertained visitors and members during the session, as a slight testimonial of our appreciation of their hospitality.

5. Thanks to Rev. Hiram Sears, etc.

Resolved, That the thanks of the Conference are hereby presented to Rev. Hiram Sears for his efficient services in accommodating the members of the Conference; to the citizens of Vandalia for their pleasant hospitalities; to Bishop Thomson for the kind and agreeable manner in which he has presided over our session; and to the St. Louis, Vandalia, and Terre Haute Railroad, for the free return of our members on their road.

6. Thanks to Railroad Companies.

Resolved, That the thanks of this Conference are hereby tendered to the Superintendent of the Ohio & Mississippi, the Illinois Central, the St. Louis, Alton & Terre Haute, and the St. Louis, Vandalia & Terre Haute Railroads, for their kindness and courtesy in granting to our members living on their several lines annual half-fare tickets, and occasional half-fare trip tickets over their roads.

7. Testimonial to Rev. J. W. Caldwell.

Resolved, That the thanks of this Conference are hereby tendered to our brother, Rev. J. W. Caldwell, for his very efficient services as Secretary of this Conference for the past several years, and that brother W. H. Corrington be instructed to take in charge the money raised for a testimonial to brother Caldwell, and purchase such articles as in his judgment may be best, and to convey the same to brother Caldwell with the best wishes of the Conference for his prosperity.

8. Conference Sermon.

Resolved, That Rev. J. B. Corrington, D. D., be requested to preach a sermon to the Conference, at 10½, A. M., on the second day of our next session.

9. Notification of Death of Members.

Resolved, by the Southern Illinois Conference, that when any of our brethren are called from earth that it be the duty of the pastor at the place where the brother resided, or the presiding elder, to notify all the preachers on the district of such decease, and the time set for the funeral.

10. Anniversaries.

Resolved, That the Presidents of the various benevolent societies be appointed a Committee to procure speakers, and arrange for the anniversaries of the next session.
